Uncle Sam Says

Sucker bait is a phrase you have heard used or used yourself many times. Anglers know its meaning when they watch the fish bite for the impossible. The term also applies to individuals who send their hard-earned eash on get-rich-quick errands. Your income invested in United States Savings Bonds will mount steadily and safely in value to serve you 10 years hence. The American who buys bonds regularily with the dollars he doesn't need today for living costs will not wind up a poor fish. U.S. Treasury Department
