More About Parent-Teachers

(Cont'd from front page)

(2) To raise standards of home life.
 (3) To secure adequate laws on the care and protection of children and youth.
 (4) To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.
 (5) To develop between educators and the public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.
