

Kiwanis Club Had Wide Program Of Activities In '47

(Ed. Note: Following is a summarization of the Kings Mountain Kiwanis club achievement report for 1947, as compiled by Rev. W. L. Pressly, Kiwanis club achievement committee chairman. It is a report covering activities of each club committee.)

Support of churches — listed number of churches and denominations; compiled information concerning church membership, budget, etc.; aided attendance at union services; aided ministerial union several times.

Boys' and girls' work — helped with Boy Scout camp; presented several motion picture programs to club; presented picture for Girls Scout banquet.

Kiwanis Education — inducted several new members into club; gave one club program.

Interclub Relations — Inter-club meetings were held with the Shelby Kiwanis club. At this time Dupre Rhame spoke and gave a good program of music. The meeting before Christmas we had an Inter-club meeting with the Kings Mountain Lions club. There was a good program presented.

Reception and House — This Committee was always on the job 15 minutes before the meeting. The members had a light placed on the outside of the club house. They also had a walk placed around the club house. During August and September, they arranged to have the club eat out at Beth-Ware school, El Bethel, Oak Grove, and Bethlehem churches.

Youth Organizations — This Committee's first project was to study the need of a Key Club in the Central high school. The committee plan and presented a special program for the Boys and Girls basketball squads of the high school. All the squad saw the picture of the Oklahoma-North Carolina Game of the Year. Fred McDaniel was selected to represent the club at Boys' State.

Agriculture — The Committee on Agriculture bought and gave to the young farmers of this county a fine young bull. This was a gift to them from the Kings Mountain Kiwanis club. We also had Farmers Night in the club with each Kiwanian asking a farmer.

Attendance Committee — This committee put on one program during the year, but it urged regular attendance all during the year. The members bought and paid for themselves large Kiwanis Attendance buttons for each member of the Kings Mountain club.

Music Committee — Special music was given to the club from time to time. Joe Heddon, director of the local high school band, spoke to the club.

Underprivileged Child Committee — List of indigent handicapped children were given to the chairman by the school, the Red Cross and the churches. It was decided to get these children cared for by any one that we could and to take care of the others in the Kiwanis club. This Committee had charge of two programs. In May Dr. Robert Dyer spoke to the club, and in June Dr. W. H. Aydelotte, spoke and demonstrated the Pure Tone Clinical Audiometer to the club. This Audiometer was bought by the club at a cost of \$370.00. This machine is to be used by the schools of Cleveland county.

Program Committee — The program committee this year gave some good programs. They were interesting and inspiring all the year.

Achievements — A gold medal was

given by the club to the most outstanding student in the boys and the girls. George Tolleson was the boy and Doris Cloninger got a medal for being adjudged outstanding girl.

The club paid one month's salary to the Bible teacher; it paid \$66 to the PTA for an excursion trip; it gave \$30 to the high school for The Milestones of 1947; They gave two trash cans to the city; the club gave a Love Offering to our former president, Dr. R. N. Baird, who is sick in Kings Mountain.

In rural areas of North Carolina 66 persons were killed and 502 were injured in 967 traffic accidents. This compares with 74 killed and 389 injured in 499 accidents during November, 1946.

Lincoln County led North Carolina in fatalities for November with seven persons killed — six of these met their deaths in one accident when the car in which they were riding ran off a roadway on a curve at a speed of 80 miles per hour. The victims of this accident were all

Western Union Offers "Correct Time" Service

The question of "what time is it?" leads to a lot of conflicting answers. The problem has become so important that Western Union Naval Observatory time will be made available to Kings Mountain within the next few weeks, according to Robert Osborne, Western Union manager at Gastonia. He is in charge of the Kings Mountain installation, and the subscriber list for Western Un-

ion Clocks already contains several industrial plants, such as Burlington Mills and Kings Mountain Manufacturing company.

The Naval Observatory time is provided to all of the clocks through a Master clock that is wired by special circuits to each subscriber. Every hour a synchronizing impulse is sent out by the Master clock and if the controlled clocks have varied even a fraction of a second, they will be pulled back electrically to keep in step with the Master clock.

Since each clock will have its own self-contained power, there is no connection to electric power outlets on the subscribers premises. All installation and maintenance is made by Western Union and Mr. Osborne

states that the cost of this service is about five cents a day, which will assure continuous and absolutely accurate time 24 hours a day.

Kings Mountain business firms may subscribe to the Time service by calling the local Western Union office, and indicate their desire for the service.

During November in North Carolina, 29 persons lost their lives when their vehicles overturned or ran off the roadway; 24 pedestrians were killed; 16 persons lost their lives in vehicle collisions; four died when their cars collided with trains. One child was killed while riding his bicycle, and four other persons were killed in non-collision accidents.

FAMOUS IDAHO BAKING Potatoes
10 Pound Mesh Bags 69c

The Nations Finest Baking Potatoes. Save our Famous Idaho Recipes?

BIG BAKED IDAHOS TOPPED WITH BUTTER

No wonder these world-famous bakers are such a special treat! They bake up meaty and flavory, with a tangy flavor that will make your family say, "Mmmm—that's mighty good eating!" Wash and dry uniformly sized idahos, and bake in a hot (450°) oven until tender when pricked (about one hour). Break open with prongs of a fork; fluff up; top with butter and serve.

SUPER SPUDS
10 POUND MESH BAG 69c

Super Spuds were introduced by the State of Maine and are packed by licensed Shippers only under a very Strict Grade which must be 2 1/2" Min to 2 1/2" Maximum. This assures you no waste in a Bag of Super Spuds.

CONNECTICUT KATALIDINS
10 Pound Mesh Bag 57c

A very fine potato graded under strict standards of quality. This "Connecticut Yankee" is one of the most popular potatoes in production today.
