

Ruth, Barnette Pace Central In Double Victory Over Cherryville

Central high school basketball teams fought from behind half-time scoring deficits in Cherryville Monday night and racked up a double-bill victory over the Ironmen in Western conference play, the boys winning 40 to 30 and the girls, 20 to 18.

Jack Ruth, with 14, and Herman Mauney, with 12, paced the Mountaineers to victory after a red-hot third period had erased a 16-14 Cherryville lead at the end of the second quarter.

Cherryville's lads attack had Kings Mountain holding on the ropes by the end of the first half but the Mountaineers came rolling back after a 10-minute study period to

blaze 15 points in the next period and turn over the reins to the second string team for most of the remainder of the game.

Mary Lou Barnett again paced the local lassies in an exciting defensive game, Coach Mabel Carpenter's sextet coming out on top of a 20-18 affair after trailing 9-14 at halftime.

During the half of the final game Kings Mountain "B" boys rolled up an impressive 16 to 4 lead in a 7-minute game with the hometown "B" aggregation.

Central Cagers Play Here Next Thursday; In Shelby On Tuesday

Kings Mountain Central high school basketball teams are scheduled to face their arch-rivals of Shelby high on the Shelby court Tuesday night and return to the home hardwood for a Thursday night encounter with Cherryville. Next Friday night the boys team is scheduled to entertain Blue Ridge School For Boys from Hendersonville.

Central teams were hosts to Lincoln high in Central gymnasium last night (Thursday) in the first meeting of the two schools on the hardwood floor this year.

It will be the first meeting this season with the teams from Shelby and the local quintet will have its hands full with the Lions, reportedly a top-flight aggregation with a six-game winning streak without any losses this year. Shelby's girls have won only one game at last reports, while Kings Mountain has two wins and two losses for the season.

Kings Mountain girls will go into the game as favorites but Coach Don Parker's inexperienced five will rule the underdog post, mainly because of their inexperience and the small Shelby court, which will hamper the team's fast, wide-open style of play. Should the Kings Mountain guards cut loose with an accurate barrage of long shots, however, the fast-improving quint should make an interesting game of it.

Both local teams will role favorite roosts against the Cherryville teams Thursday night by virtue of their wins over the Ironmen on Monday night.

Also on the card with the Central boys—Blue Ridge game is a "B" team scrap as yet unannounced.

To The Editor the Herald—
I saw where my good friend, H. Y. Belk, has been writing about me. He thinks I am trying to get his job. If I had his job you would get more subscribers. He is always talking about the girls thinking so much of him. He said they call him a good boy. That was 85 years ago. I would like for all of your subscribers that reads this to write him a card asking him to say in the house all day on February 2. We don't want any more bad weather. I would like very much if the Editor will keep his pic

ture out of the paper for the first week in February. The Ground Hog might see his picture and we would have more bad weather.
