FLOWERS

FOR MOTHER'S DAY

May 9, 1948, is the one day this year your M-O-T-H-E-R should receive flowers.

It's Mother's Day—her day—and nothing will gladden her heart more than a lovely corsage or a beautiful plant.

Choose a corsage of carnations, roses, or gardenias. And, of course, you can't beat an orchid. If you prefer plants, we suggest geraniums, hydrangeas, begonias, azaleas, or calceolarias.
