The new high school principal is a graduate of Wake Forest college, who received his A. B. degree in 1937. A native of Rutherford county, Mr. Lane taught social science and coached high school athletics in Hyde County for three years and was principal of Englehard high school for one year prior to the war. He served almost five years in the army air corps, administrative division, and had held the rank of major for a year prior to his discharge. He is coming to Kings Mountain after two years as principal at Marion.

At the present time, he is taking graduate work at Wake Forest and is completing his thesis leading to a Master of Arts degree.

Mr. Lane is married and the father of two children.

"We feel fortunate to have Mr. Lane join the Kings Mountain faculty," Mr. Barnes said in making the announcement. "He comes to us highly recommended."

Mr. Barnes said that the new principal expects to move to Kings Mountain around August 15, and issued an appeal for aid in locating a house for him.

be elected each biennium in the same manner in which city council members are elected.

Both charters provide that council members shall be paid \$120 per year, the mayor \$600 per year.

Other major difference between the council-mayor-manager charter and the council-mayor charter will be found in Charter "B" which, under the mayor form, provides that the mayor shall appoint individual council members to head particular city departments. Thus, for example, one council member would be commissioner of fire and police departments, and would be responsible for the proper functioning of these departments. Under Charter "A" the city manager would be responsible for all departments and would, in turn, be responsible to the mayor and city council.

Citizens are being urged to attend the public hearing scheduled for City Hall the night of August 16th, and to make suggestions and criticisms regarding the two charters to be offered.

Pair Acquitted In Superior Court

In Cleveland Superior court action this week in Shelby, James E. Black, of Kings Mountain, and Jack Yarboro, of Shelby, were acquitted Tuesday of manslaughter charges in connection with the death here last November 24 of Oliver Martin, hitch-hiker in the Yarboro car, in a collision with a truck driven by Black. Judge J. Will Pless, Jr., announced that no civil cases would be heard this week.

The fatal collision on November 24 was at the intersection of Piedmont avenue and King street. Martin had "bummed" a ride from Shelby with Yarboro.

J. C. Mullinax, B. F. Sessoms, and Thurman Gant were each sentenced 12 to 18 months Wednesday for breaking and entering and each was given a suspended sentence.

Judge O. C. O'Farrell said the case was appealed from Recorder's court here. The two had entered R. N. Parrish's cafe on April 12.

New Club Managers Arrived On Tuesday

Mr. and Mrs. J. H. Pressly, new managers of the Kings Mountain Country Club, Inc., arrived here Tuesday from Americus, Ga., to assume their duties.

The Presslys have been associated in country club management for the past several years.

On Friday night, they will be officially welcomed at a reception given by the club directors.

METER RECEIPTS

Parking meter receipts for the week ending Wednesday at noon totaled \$162.17, according to report of S. A. Crouse, city clerk.

Billiard Parlor Entered Saturday

Friendly Billiard Parlor, owned by Coman Falls, was entered sometime Saturday night police have reported and a small amount of money and some cigarettes were found missing.

A 23-year-old war veteran, Carl Bagwell, was picked up by local police and Officer S. R. Davidson said that he admitted entering the establishment.

Bagwell has been sent to a Roanoke, Va., hospital, he said, for mental examination.
