

REVIVAL SPEAKER — Rev. C. L. Wereman, of Intercession, Fla., is preaching at revival services at Second Wesleyan Methodist Church, on E. Gold Street. The revival meeting began Wednesday night and will continue through September 26. Services begin each evening at seven o'clock.

Funeral Held For Mrs. Prince's Mother

Funeral services for Mrs. Mary Wortman Dunn, mother of Mrs. A. B. Prince, who died Saturday night at the home of a son, C. M. Dunn, Jr., in Gastonia, were held at 11 a. m. Monday at the Ford-Riddle Funeral Home there with interment following in a Gastonia cemetery.

She was born in Cleveland county January 31, 1869, daughter of the late John and Susan Wortman. Following her marriage to Charles M. Dunn, she made her home in Gastonia for many years. Mr. Dunn was a textile mill superintendent for a number of years with the Armstrong chain of mills. The Dunn mill of the Gastonia combed yarn corporation system was named for him. Some years ago the family moved to Charlotte and Mr. Dunn died there about nine years ago.

Surviving are four daughters, Mrs. A. B. Prince of Kings Mountain; Mrs. N. O. McDowell of Greenville, S. C.; Miss Maide E. Dunn of Charlotte and Mrs. Edward T. Ash of Tokyo, Japan; three sons, Charles M. Jr., of Gastonia; Fred and William L. of Charlotte; a sister, Mrs. Stamey W. Smith of Gastonia; 15 grandchildren and seven great-grandchildren.

Mrs. Dunn was a member of Main Street Methodist church in Gastonia and during her residence there was an active member of that congregation.

Neill, Hullender, Medlin Probable Bulldog Starters

Three former Central high grid- ders will probably be in the Gardner - Webb starting lineup Saturday night in Shelby when the Bulldogs initiate their 1948 season against their jinx rivals, the Bulldogs of Asheville-Biltmore. Game time is 8 p. m.

Bob Neill and Bud Medlin are slated to occupy the tackle slots at the kickoff, with Jim Hullender, nominated to hold down an end position.

The trio is among none Kings Mountain candidates for the G-W starting squad.

Other local players include Bill Cashion, fullback, Bill Harmon, guard, Dickie Foster, tackle, Walter Harmon, tailback, Bob Patterson, end, and Dwight Ware, fullback.

A large gathering of local fans is expected to witness the local boys in action.

City Engineer E. C. Brandon, Jr., reported that the street paving conducted in the city cost a total of \$11,745, for an average cost of 13 cents per square yard of surface treatment. He added that the city had anticipated spending 21 cents per square yard and a total of \$12,500. The lowered cost, he said, enabled re-surfacing three additional blocks at less total expense.

Warren Reynolds appeared before the board requesting opening of Gantt street between Fulton and Walker streets, and the board instructed the city engineer to survey the situation as to the desires, and effect on property owners along the proposed street.

The board authorized grading of a one-block extension of North Tracy street (beyond W. Ridge street), and directed the drawing of a sidewalk and curbing ordinance.

It also set the City Stadium charge for night football games at \$15 per game.

Bids were received from Burroughs Adding Machine Company for a city office billing machine, and from Reynolds Motors of Kings Mountain and Hoyt Keeter Motors of Shelby on a pick-up truck. Reynolds offered a three-quarter ton truck for \$1,600, while Keeter Motors offered a half-ton truck for \$1,400. The board accepted the Keeter Motors bid, stating that a half-ton truck would serve its purposes better than a three-quarter ton truck. The Mayor was authorized to sign contracts on the truck and billing machine.

Frank Roberts asked the city to build a fence or otherwise enclose their water plant property to prevent walking through and across his property. The city board agreed to attend to the matter as quickly as possible.

The August financial report of the city, showed income of \$22,702.82, and expenditures of \$32,180. The income items showed \$1,260.19 of delinquent 1947 taxes, and the expenditures included \$10,716.45 of the street re-surfacing bill. Utilities department revenue for the month totaled \$12,655.66.

Congressman Bulwinkle cited history in showing that history repeats itself, with two nations usually emerging as strong powers after wars. He further cautioned against forgetting the danger of foreign aggression after a war is over.

"The people begin to forget what happened," he stated.

The Mayor declared that the Gastonia strike of 1929, which resulted in violence and death, was Communist-inspired, and he urged citizens to always keep on the lookout for Communist infiltration.

Congressman Bulwinkle spoke on a program arranged by Charlie Moss. He was introduced by Howard Jackson.

Mountaineers Engage Bearcats At 7:30 P. M.

Kings Mountain's Central high school Mountaineers are scheduled to open their 1948 football season here in City Stadium Friday night against a strong Hendersonville high school Bearcat eleven. It will be the "baptism of fire" for Lenoir-Rhyne graduate Everette Carlton, in his first year as coach of a high school eleven. Game time is 7:30 p. m.

Coach Carlton, who also played football at Duke university, was named head coach of football at Central high school late last June after graduating from the Hickory college. He opened pre-season practice on August 25 after a 10-day delay because of the polio ban, with only boys over the ban age (15) reporting for drills.

Reserve strength of the squad is considered weak, with support to be added when the boys 15 and under report for duty the big question mark of the team.

The Mountaineers will start the opener with the line averaging 175 pounds per man and the backs, 157. Team average of 166 will be spotting considerable poundage to the husky visitors.

Captain Garland Still, at guard, will lead the Mountaineer forward wall into the battle, supported by veterans Jack Ledford, at the other guard position, and Herman Jackson, at center. The trio will present

a strong center and team hopes likely hang on Ledford's bad knee, whether he manages to further damage it or not.

Tackles should be strong, with both starters Herman Mauney and Jack Camp, gaining experience on the 1947 eleven.

Flank candidates are topped by a senior out for the first time and showing promise, Bill Amos, and hard-hitting Bob Jackson.

Three veterans who saw considerable action last year cap the fleet of backfield men. Jack Ruth, alternate captain, is shaping up as the work horse of the ball carriers, running at fullback, and handling major share of the passing and punting. Richard White has been outstepping the tailback candidates and Jack Matthews is being hard pressed by Richard Goins at the wingback slot. Boyce Huffstetler holds the front ranks among the blocking backs.

Reserves likely to see plenty of action include backs Major Loftin, Richard Goins, and Delvin Huffstetler, and linemen Roger McDaniel, J. B. Weaver (a late candidate), Don Ellison, and Ralph Hullender. Only comment Coach Carlton has was about lack of players—"why Hendersonville played more men against Brevard than we've got out for the squad."

Hendersonville, coached by Eugene Brickley, who played with the Beacon Mills team in the semi-pro baseball tournament here last July, defeated Brevard last Friday by a score of 19-0 in their opener.

The Bearcats are paced in their T-formation offensive by big and fast halfback, Ed Morgan, who scored three touchdowns in the Brevard opener. He's a classy pass receiver and will be a thorn in the Mountaineers hair should he live up to press notices.

Key man in the T-attack is Bearcat Bob Flemming, quarterback and ball-handler who can run, pass, and kick. John McGraw, left end, is also a scoring threat and center-linebacker Bill Edmundson is the main defensive player.

Seven junior district dairy shows for North Carolina 4-H Club members and Future Farmers will be held during September and October.
