**Mrs. Singleton Seal Sale Head**

Mrs. E. E. Singleton, Shelby, will be chairman of the 1948 Christmas Seal Sale in Cleveland County. To raise funds for the tuberculosis control work of the Cleveland County Tuberculosis and Health Association, Mrs. B. N. Barnes, president of the association announced today.

Cleveland County's campaign is part of the nation wide 42nd annual Christmas Seal Sale which opens November 22nd and will continue until Christmas.

Mrs. Singleton's record of interest in and service to the community, makes her a logical choice for chairman. Her leadership will go far to assure the success of the campaign which is vital to community health.

Mrs. Singleton, who is past president of the American Legion Auxiliary said she was glad to accept the chairmanship because she was eager to do all she could in support of the Tuberculosis Association and its expanding tuberculosis control program since it directly benefits Cleveland county's health and welfare.

Mrs. Singleton added that she would need many volunteers to assist in the campaign and felt sure that those called on would gladly give their assistance as others had in the past.

California produces more grapes than all other 47 states combined.
