

THE BUTTER LOBBY'S IDEA OF A FAIR COMPROMISE

A RESOLUTION

WHEREAS, it hath pleased Almighty God to remove from our midst and take unto himself our friend and co-worker,

LAURA MAUNEY RIDENHOUR and, WHEREAS, she filled such a useful place in the life of our congregation and in many of the organizations, and because she was a long servant of the church and a willing worker in every way, and

WHEREAS, her passing has removed from us a fine Christian,

BE IT RESOLVED, THEREFORE:

(1) that we bow to the Infinite Will of the All Wise and Loving Father, and say in faith with all His believing children, "The Lord hath given, the Lord hath taken away, blessed be the Name of the Lord!" Thy Will be done!

(2) that as we bow before His will, we express our thanks to Him, too, for her long life of usefulness and service to the Church in all of the departments in which she worked and served, especially her service to the church as organist;

(3) that in expressing our thanks, we shall rejoice before Him that He has called one of His children home to be at rest with Him, "having run a good race, having fought a good fight"

(4) that we express our loving sympathy to her loved ones, praying the heavenly Father's comfort of His presence; asking His strength for them to carry on; and assure them of our love and understanding;

(5) that we send a copy of these resolutions to the family, to the local press, and to the North Carolina Lutheran.
