

Central Nine Drops Pair To Loop Foes

Kings Mountain high school's baseball Mountaineers face Cherryville high nine here in City Stadium Friday afternoon at 3:30 according to an announcement Wednesday by officials of the team. Newton Conover is scheduled to play here Tuesday afternoon at 3:30.

The game was changed from Cherryville to Kings Mountain at the request of Cherryville team officials. Return game of the home-and-home series will be played in Cherryville the night of May 20, the last game of the season for Kings Mountain.

Coach Shu Carlton announced Wednesday that Jerry Cloninger, righthanded pitcher, had quit the squad, cutting the hurling staff to two, Carl Moss and Don Ellison, both right-handers.

Veteran Richard White, who recently underwent an operation, worked out this week but is not expected to be in condition to play before the first of the month.

Motor Demonstration At Belmont Tuesday

A free demonstration of Western Auto outdoor motors will be held all day Tuesday near Belmont according to an announcement by J. G. Darracott, owner of the local store.

Persons interested in attending are urged to check a map that will be posted on the window of the Belmont Western Auto store for exact location of the demonstration area.

Mr. Darracott invited all persons in the Kings Mountain area to attend the show sometime during the day. He also urged sportsmen with competitive motors to bring their units for comparison with his product.

Further details may be obtained at the Western Auto store located on Mountain street.

Powers' Car Smashed In Four-Car Wreck

The 1949 Ford club coupe of Ertle Powers was badly damaged, as a result of a four-car accident on Wilkinson Boulevard near Crumerton crossroad Wednesday afternoon.

According to reports received here, a new pick-up truck traveling toward Charlotte, jammed into the Powers car after trying to avoid another truck which was entering the highway. Mr. Powers car then lurched across the road to crash into an auto driven by a Mrs. Cohen of Gastonia. The Cohen car over-turned. Meantime, the pick-up truck had careened on down the road to crash into a new Kaiser owned by a Shelby citizen. The truck entering the road, which reportedly caused the accident, didn't get a scratch.

Two unidentified persons involved in the smash-ups were taken to the hospital for treatment, but none were reported badly hurt. Mr. Powers sustained only minor scratches.

Police Arrest Man For Mail Thefts

Lewis McGinnis, 23-year-old Kings Mountain man, was arrested late Wednesday afternoon by local police and J. W. Jessup, of Salisbury, of the State Bureau of Investigation, in connection with the theft of several unemployment compensation Commission checks from local mail boxes.

McGinnis was to be turned over to a U. S. Marshall Thursday afternoon and was expected to get a hearing before a U. S. Commissioner, either in Gastonia or Shelby, immediately.

Chief N. M. Farr of the Kings Mountain police department said that McGinnis would probably be charged with larceny of Federal mails. The young man reportedly took checks from mail boxes at Park Yarn Mill and Sadie Cotton Mill, forged signatures and cashed them.

He was arrested after the SBI had received a tip from Horace Hord, of B. & B. Food Stores, Inc., who had cashed an unemployment check thought to have been forged, Chief Farr said.

Majority Court Cases More About Election Story

Eight cases were tried in regular weekly session of City Recorders court held at City Hall.

Six defendants were tried on charges of public drunkenness with five drawing fines and one a no! pros.

Ed Leller, charged with assault and profanity, requested his case be transferred to Cleveland county Recorders court in Shelby.

Lee Tracy Ormand, charged with vagrancy, was ordered to leave Kings Mountain and go to Columbus county after receiving a 90-day suspended sentence.

Bike Rider Injured In Crash With Truck

Joe Hudgins, 14-year-old son of Mr. and Mrs. Paul Hudgins was not seriously injured around 11:50 Thursday morning when struck by a truck driven by Carr Lee Jenkins, Kings Mountain colored man, in front of the Lutheran church.

Young Hudgins was rushed to Shelby hospital for x-rays and treatment according to Policeman S. R. Davidson, who investigated.

According to the report by Officer Davidson, the youth, who was riding a bicycle, ran out of a private driveway directly into the path of the truck, a Dodge pick-up owned by Phenix Mill Store. Hudgins was leaving Central school for the lunch hour.

Coman Falls Downs Fulkerson At Golf

Coman Falls downed W. J. Fulkerson and Booth Gillespie defeated Charles English in first flight play in the annual Kings Mountain Country Club spring golf tournament now underway on the local course. Falls and Gillespie are slated to meet for top flight honors Saturday.

Falls had defeated Joe Hamrick to win the right to meet Fulkerson, who had previously beaten Pat Horvis, club champion, in an earlier match.

The event is a handicap tourney. Buck Pressley, professional at the

were installed as early as 1923; therefore, with your expanding population, these plants have become seriously overloaded and are at present unable to effect a satisfactory degree of purification. This condition not only results in increasing the pollution of the receiving streams, thereby impairing their normal usages, but actually creates a condition which is detrimental to

the public health of the community. Furthermore, the annual cost of operating plants which are overloaded is considerably higher than for operating properly designed adequate plants.

"In view of the above and in view of the importance of properly treating sewage before discharging it into our public streams for the preservation of public health as well as the normal usage of our water courses, the State Board of Health wishes to commend you and the people of Kings Mountain for your efforts to improve sanitary conditions in your progressive community. It is our observation that adequate sewage disposal facilities are absolutely necessary to the continued public health and industrial progress of any community. We, therefore, wish to go on record as urging you and the citizens of the town to provide the funds necessary for carrying out proposed and badly needed improvements."
