Uncle Sam Says

You American citizens who have been looking for an opportunity to take some aggressive action which will express faith in your country are now being given that chance. It is participation in the U. S. Savings Bonds Division's "Spring Opportunity Drive" which opens May 16. Through this drive you can help in the preservation of a prosperous economy in your land and show the world that Americans, men and women, still have that spark which has led the country to "accomplish the impossible". Volunteer workers are needed to help in this great drive and this is your opportunity to prove that you have the courage to protect the freedoms that are ours. Your community, your county, your state, and your country needs your help. Volunteer today.
