

Father's Grove
May 15 and Comments
By Mrs. Thurman Seism

Have you really and truly dedicated your life to God? Can you say here am I Lord, send me anywhere, whether the job be great or small, I'll do my best. Nor for the praise of man, but for the Lord. There is a certain peace that comes from serving God. You can't find anywhere else, when you have truly dedicated your life to His service, you can't say here am I Lord, send me where I would like to go, but rather you must say wherever He leads I'll go.

First, He will lead you to become a Christian, then a soul winner, a life-time of service is yours if you want to serve. There will be no more time for nagging, gossip, destructive thinking, dirty jokes, unclean thoughts, no more swapping wives and husbands, no more going to ungodly places and no more reading trashy literature. No more judging people by "your" standards. Lying would cease, jealousy would vanish, etc., because love and trust would rule the world. Faith will help us win.

Farmers are expected to receive about two billion dollars from marketings in May, 5 percent more than in April and slightly less than in May of last year. Prices received by farmers will probably average a little lower than in April, for both live stock and crops — and substantially below those of last May.

Letter To Editor

June 4, 1949

To The Editor, Kings Mountain Herald, Kings Mountain, N. C.

Dear Sir:

Personally, and on behalf of the officers and directors of Better Schools and Roads, Incorporated, I wish to thank you and your fellow associates of the North Carolina press and radio for the thorough coverage given to the issues at stake in today's election.

Regardless of the outcome today, North Carolina will have advanced because its peoples — thanks to you — are more aware of our State's needs and opportunities.

Sincerely,
John Marshall,
Executive Secretary.
