## Girl Scout News

The Brownie Scout Troop of the Presbyterian church met Wednesday afternoon at the church with every member present.

Mrs. Frank Hoyle told a Brownie story, Mrs. Harry Page directed games on the lawn, Mrs. Frank Cranford served candy.

A weiner roast was planned for next week after singing several songs we were dismissed with the Brownie Promise.

**Troop 14**  
On Saturday afternoon, Sept. 24, we hiked from the Lutheran church to Bridges Airport where we had a fish fry. We also had hush puppies slaw and lemonade.

Each Brownie cooked her own supper, washed her own dishes and cleaned up.

We played games, sang songs and practiced our play.

**Troop 14**  
The Brownie Scouts of troop 14 took a hike Saturday, Sept. 17th.

We carried our knapsacks for the first time. We hiked to Lake Charles. When supper time came we all

sat down near a little stream and ate our supper.

After supper we sat in a circle and told stories and said poems. After we had done this we all started one our way. We hunted for some different kinds of leaves. The first leaf we found was a red maple. Before long we came to a little girls' home so we sang a good-bye song to her and went on our way. As we came to each one's house or where she was to drop off, we would sing a good-bye song.

All the Brownies that went had a very good time, but those that did not get to go, I know they hope they can go next time.

**Girl Scout Troop 14**  
Members of troop 14 met Monday at 5 o'clock. We had our laws and promises. We sang our hymns. Afterwards we did our sewing, played games and will meet at 5:00 next Monday.

## Kings Mountain Set To Give Battle To Ironmen In Cherryville Friday

Kings Mountain high school Mountaineers journey to Cherryville Friday night to continue Western conference rivalry between the two schools on the gridiron.

The Ironmen will be heavily favored after swamping the Lincoln high eleven last week 40 to 0. In other games Cherryville has defeated Cramerton 32 to 0 and lost to Lenoir 33-19.

Coach Everette Carlton's improving Mountaineers are set to give battle however. The team came out of last Friday's 18 to 6 thumping of Dallas without any injuries but flu hit the camp this week. Guards Don Cashion and Dickie McMarkin were out Wednesday with cases of flu.

End Paul McGinnis, who has been playing defensive guard in games to

date, was shifted up to Cashion's spot.

Wingback Jim Cobb, first year player who ran beautifully last week against Dallas, was suffering a "game" knee but will probably be ready to start against the Ironmen. Cherryville defeated the Mountaineers here last year by a score of 14-0 in a game played in the mud.

## RED CROSS RECREATION PROGRAM HELPS HOSPITALIZED SERVICEMEN

Providing recreation and entertainment for hospitalized and convalescent servicemen is an important Red Cross job at military hospitals. These Red Cross hospital recreation workers take a group of patients for a tour of Mammoth Cave, Ky., during an outing sponsored by a community service organization.

Any woman will tell you she'd rather nurse five sick children than one sick man. Doctors and nurses are inclined to agree with her. A man resents being helpless and is often beset by fears for himself and his family. The sick soldier is little different from the civilian, except that treating the sick serviceman presents additional problems.

Unlike the patient in the civilian hospital, who undergoes his convalescence at home, the soldier remains in the hospital until he is completely fit for duty. After the acute phase of the serviceman's illness is past, he is sent to a "reconditioning ward," where he remains until he is able to take up his regular military job. Sometimes he remains there for weeks. And usually he is far from home.

For recreation and simple, pleasurable activities to fill those long hours of convalescence, military physicians in post hospitals look to the American Red Cross and its corps of specially trained recreation workers.

Recreational programs are adapted to the needs of both the man confined to his ward and the convalescent. They range from teaching a bedridden man to play solitaire to dances and bingo games for the man on the road to recovery.

There are motion pictures for both ward patients and the convalescent, and for the ambulatory patients there are tickets and transportation to nearby ball parks and theaters.

There are also the special services provided by volunteer workers. Gray Ladies run errands and write letters. Motor Service provides transportation. Volunteer Services, working with other community agencies, help bring into the hospitals boys and girls of the same age group as the hospitalized serviceman.

Red Cross provides the "home touch" which, added to medical and nursing care, helps restore the sick man to good health.
