

A Resolution

William Alexander Ware was born near Kings Mountain, N. C., January 6, 1862, and died at his home there October 14, 1949. He was the son of William Oates Ware and Mary Ann McGill Ware. Brought up in a godly home, the son of an Elder and a godly woman, he united to the church early in life.

For almost seventy years Mr. Ware was in business in Kings Mountain, starting with his father in the operation of the first steam mill in the community. They operated a grist mill, saw mill, a cotton gin, and later a wholesale grocery business. For a half century Mr. Ware was head of this growing business.

For three-quarters of a century Mr. Ware was actively associated with the Associate Reformed Presbyterian Church and was one of the charter members of Boyce Memorial when the Golden Anniversary was celebrated in 1948. He has served the Sabbath School and Church on various committees at different times during his long life. He was treasurer of the church from 1894 to 1910; Deacon, 1892-1910; Elder, 1910-1949; Trustee, 1917-1949. He was an Elder and Trustee at the time of his death.

For many years Mr. Ware attended Presbytery and Synod as a representative of the church. His one and only speech to the Synod at Lake Wales, Florida, will long be remembered by all who heard him. As an agent for the church paper he was never surpassed. For thirty years he had a new subscriber each year, and

nothing but death would allow a cancellation.

During his entire life he was interested in the progress of all parts of the church. He was an honorary member of the Ladies' Missionary Society, and he gave the lot at Bonclarken for the young people's cottage which we hope to build next year.

Mr. Ware's home stood ready and open to the needs for advancing the Kingdom. When a visiting preacher or laymen came to the church, W. A. Ware was the first to extend a welcome. We are not forgetting his interest in the city as Mayor and citizen but church always came first.

Those who knew him admired him for his kindness and sympathy, for his truthfulness and sincerity. Although no flowers were requested many flowers came. And money came for a Memorial in the church from friends inside the church and outside of his own church.

Mr. Ware was twice married. In 1885 he married Miss Lenora Falls, who died in 1893. Three children were born to this union; Minnie Rebecca (Mrs. Campbell Phifer), Vivian Jeanette (Mrs. W. S. Fulton), and Moffatt Alexander. In 1895 Mr. Ware married Miss Caroline Anthony of Catawba County and five children were born to them; Garrison, Mary (Mrs. L. L. Shoupe), Samuel Freno, Jnanita Ava, and Lena (Mrs. J. L. McGill).

Mr. Ware's place will be hard to fill in this community. Therefore be it resolved:

1. That we bow in humble submission to the will of Him who makes no mistakes, and who does all things well.

2. That we express our sympathy to his loved ones and friends. And that a copy of this letter be sent to the family, another be sent to the Herald, and another be sent to the church paper.

3. That we, as a Session and a church, recognize our great loss in his passing.

4. That a page in the minutes of the Session be dedicated to his memory and that these resolutions be spread upon the page.

Clippers To Face Talented College Seniors In Annual Battle Saturday

The third annual, and probably strongest, Southern College All-Star team is working at two camps this week for its battle with Charlotte's professional Clippers at Memorial Stadium Saturday afternoon at two o'clock.

Thursday, they'll get together for last drills under Coaches Rex Enright and Peahead Walker, here, and plot to go ahead in the series which now stands at one game each.

Practicing at Wake Forest are Ends John (Red) O'Quinn, Ed Bradley, and Jim Duncan of Wake Forest; Tackles Tom Palmer of Wake Forest, and Louis Allen and John Reese of Duke; Guards Charlie Musser of C. State and Jim Garry of Wake Forest; and Backs Tom Fetzer of Wake Forest and Jake Wade of Davidson.

Working at Columbia are Ends Red Wilson and Cecil Woolbright of South Carolina; Guard Porter Payne of Georgia; Centers Len Ekimoff of South Carolina and VVirgel Roddy of Furman; and Backs Ken McCall, Al Bodine, and Floyd Reid of Georgia and Bill Rutledge; and Eddie Jackson of South Carolina.

Particularly because of a powerful line, obviously good both on offense and defense, the All-Stars may rate favorites Saturday. However, the Clippers convinced a lot of people last Sunday, when they staged a stirring comeback to beat the University of Georgia All-Stars, 29 to 21, for their 11th win in 13 starts this season.

This one should be a free-scoring, too, for both teams have plenty of touchdown artillery.

Tickets are going fast at the National Hat Shop, 108 S. Tryon Street, Charlotte. Last year's game drew

10,000 spectators, and weather smiling, this renewal should attract at least that many.

Ends—Ed Bradley, Wake Forest, Stratford, Conn.; Jim Duncan, Wake Forest, Reidsville; John O'Quinn, Wake Forest, Asheboro; Roger Wilson, S. Carolina, Macon, Ga.; Cecil Woolbright, S. Carolina, Abbeville, S. C.

Confidence!

Do you remember how, when you were a child, your doctor would tickle your mouth with a cotton swab, or how as you were leaving the dentist's office he would hand you a lollipop? Children should be taught early in life to look on the family doctor and dentist as their friend, for confidence in the doctor will make for a speedier recovery if your children should become ill.

Comments On Financial Statement

All cash transactions during the year were audited, the receipts being traced from their sources, and the disbursements being made on approved vouchers.

The estimated values of property owned by the Schools at June 30, 1949, were determined by actual appraisal during the preceding fiscal year and were modified slightly after conference with the Superintendent, Mr. B. N. Barnes. Property additions during the present year in the amount of \$10,087.14, being incomplete, are carried in the current fund balances for the present. Upon completion, transfer should be made to the Capital Fund.

Insurance in the amount of \$423,500.00 is carried on the insurable items.

State Loans represents the unpaid portion of loans made in connection with the erection of school buildings, and is composed entirely of State Literary Fund Loans.

Bonded indebtedness represents the outstanding indebtedness on school bonds at June 30, 1949. It is not a liability of the Kings Mountain City Schools, but is a liability of the City of Kings Mountain and Cleveland County. For the present, \$83,500.00 is the amount received from Cleveland County as part of a yet incomplete bond issue, and is carried as a liability of the current funds.

Certificate

WE HEREBY CERTIFY, subject to the foregoing comments, and after having performed all the services specified in the program of audit procedure which pertained to the particular records under review, that the exhibits and schedules appended hereto and forming a part of this report, present, in our opinion, a fair view of the financial position of the Kings Mountain City Schools insofar as pertains to the local Funds at June 30, 1949, as well as the results of operations for the fiscal year ended that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
G. H. EMORY, Certified Public Accountant.
