Uncle Sam Says

Take a good look at that plane, Dad! It's the "Flying Cartoonist", and it's carrying a group of Americans who are doing their "bit," a great big "bit" for their country. The passengers are some of our top-flight cartoonists, every one of whom has helped to sell U. S. Savings Bonds, using their comic strips to emphasize the old American principle of thrift. And they practice what they preach, realizing that the regular purchase of U. S. Savings Bonds is the one sure way to save. And Savings Bonds pay you \$4 for every \$2 invested, in just ten years.
