

# It's the other fellow's Telephone...

that makes yours so Valuable!

If your telephone were the only one in town, it wouldn't be worth very much to you. It's the people you can call and the people who can call you that makes telephone service mean so much.

The value of your telephone increases as more new telephones are installed. Today there are more than twice as many telephones in service as there were before the war and new ones continue to go in at a record rate. Probably some of your friends or relatives are among these thousands upon thousands of new subscribers. Yes, it's the other fellow's telephone that helps to make yours so valuable.

When you consider how much it does for you at the price you pay, telephone service stands out as one of today's real bargains.

Other candelabra placed at each side of the central arrangement provided a dis-

The mother of the bridegroom was smartly attired in deep blue crepe. She also wore a lavender orchid at her shoulder.

Serving the bridegroom as best man was his father and ushers were Hal Allen, of Charlotte, brother of the bride, Samuel Crawford, brother of the bridegroom, J. N. Crawford and Alfred Crawford, cousins of the bridegroom.

Sunday's bride was educated in the city schools where she was a popular student. She is now in business with her family at Allen's Flower Shop.

Mr. Crawford attended Bethany High School and served 18 months in the Army during World War II. He, too, is affiliated with Allen's Flower Shop.

Immediately following their marriage, the young couple left for a short wedding trip. For traveling, Mrs. Crawford wore a modish suit of Kelly green and an orchid lifted from her bridal bouquet. Upon their return, they will reside on Waco Road.
