

Trio Bound Over On Robbery Count

Three Kings Mountain Negroes—Boyd Carroll, Jr., Henry Burris and Grady L. Burris—were bound over to Cleveland County Superior Court by Judge W. Faison Barnes Thursday afternoon on charges of breaking and entering Bridges & Hamrick hardware Monday night.

Judge Barnes found probable cause against the three men after Chief N. M. Farr had presented the case. Grady Burris testified after a plaster cast of a footprint found outside the window of the firm had been identified as his.

Cash bond of \$500 was set for Carroll and Henry Burris, who both told Judge Barnes that they had served time—Carroll, 4 years in Burris, just completed a total of 13 months about "8 or 10 days ago." Grady Burris had posted a \$200 bond.

Officer J. D. Andrews testified that he and Officer G. W. Camp, on routine patrol Monday night,

entered the back lot near Bridges & Hamrick at around 10:20 p. m. when a car "took off with the lights off." They gave chase, he said, and followed the car down East Gold street south on York road, east back to U. S. 29 on the Park-Grace school road and south on Grover road. Chief Farr and county deputies took over the chase with bloodhounds.

Policeman Andrews said that he and Officer Camp returned to Bridges & Hamrick and discovered Grady Burris hiding near the rear entrance to the store. He said that the Negro reported his car stolen at that time. Burris was arrested Tuesday morning and charged with breaking and entering.

Carroll was arrested early Tuesday afternoon and Henry Burris was picked up Wednesday.

Glee A. Bridges testified that his place was entered Monday night. He said that entry was made by cutting the screen and breaking the glass to a window in the office. He reported some eight dollars and a quantity of cigarettes missing. He said the thieves left by the elevator window. Chief Farr said that Grady Bur-

Junior Drill Slated Saturday

Coaches J. K. (Buddy) Lewis and J. E. Bradshaw of the Kings Mountain American Legion Junior baseball team have called for the second practice session Saturday for candidates for the 1950 entry.

All candidates wishing to try out for the team are urged to be on hand promptly at 2 o'clock Saturday afternoon. Boys from the Kings Mountain - Grover - Bessemer City - Beth-Ware area who were born on or after January 1, 1933, are eligible for the team.

For convenience of the drills the two coaches have divided the candidates into two groups, with younger boys not expected to make the 20-man team to work out Saturday morning at 9 o'clock under the direction of Pink Ware, well-known Kings Mountain man and former baseball player. All boys reporting for the first time are urged to report to the afternoon session.

Some 60 or 70 boys reported for drills last Saturday and the group is expected to be halved by the time the first pre-elimination

Invocation was given by Paul Walker, Martin Harmon welcomed the ladies, and Mrs. D. F. Hord, Jr., responded.

Special guests recognized by Mr. Thomasson included Rush Hamrick, Jr., of Shelby, former national director, and Mrs. Hamrick, Bill LeGrande, president of the Shelby club, and Mrs. LeGrande, Henry Fenters, retiring president of the Albemarle club, and Mrs. Fenters, Hugh Ballard, president of the Kiwanis club, and Mrs. Ballard, Sam Weir, president of the Lions club, and Mrs. Weir, and Dr. Ladd Hamrick, Jr., former Kings Mountain citizen recently returned from duty with the army medical corps in Japan.

Faison Barnes presented Mr. Patton.

The Morganton speaker spent 30 minutes of humorous storytelling, in which he developed, nevertheless, a serious theme. He said all of life is divided in five departments of "working, playing, hating, worshipping, and making war."

He urged relaxation as a means to long and happy life and pointed out that "a frown is merely a smile turned upside down." "For all of us" he said, "there is a point of last resistance, and relaxation will delay our reaching that point."

Pointing out the foolishness of hating, Mr. Patton declared "Hate destroys those who hate. Hate is a boomerang." Discussing making war, Mr. Patton declared, "The cost of war is awful and unfortunate, but we will spend ourselves broke, if necessary, to preserve our freedoms and liberties."

He suggested that the nation should live within its means and start paying off the national debt, and declared that the price of preserving our democratic way of life is eternal vigilance.

The club management served a delicious dinner featuring barbecued chicken.

Central Scoreless Against Tri-High

The Mountaineers went scoreless Tuesday afternoon at Carolina against the right-hand slants of Garren and dropped a 6-0 contest to Tri-High in seven innings.

It was the second shutout the Kings Mountain high school team has suffered this season.

Garren set the Mountaineers down with four hits, struck out 12 and walked three while his mates were bunting their six hits when they counted.

Mountaineers Play Newton Here Friday, Forest City On Tuesday

Next week winds up the home-game card for the Kings Mountain high school baseball club as the Mountaineers tangle in City Stadium Friday afternoon with Newton-Conover. Game time Friday is 3 o'clock.

The home windup is slated for Tuesday afternoon in City Stadium against Forest City and that one is scheduled to get underway at 3 p. m. also.

Kings Mountain has posted a record that includes five straight losses after taking the opener from Tri High here on April 11 by a score of 10 to 2.

Four wins in the final four games would give the Mountaineers a .500 season, five wins, five losses. Newton-Conover edged the Mountaineers in Newton last Friday in a game that was rained out in the top of the seventh. Score was 8 to 5 and Kings Mountain will be gunning for a victory Friday here.

Tuesday's game with Forest City marks the first meeting of the two schools on the diamond this season. The two schools are to meet in Forest City on May 16 in the finale of the card.

Kings Mountain returns a game to Lincolnton high on next Friday, May 12. The Lincolnton nine edged the Mountaineers here on April 25 by 3-0.

Farm employment in March was down slightly from that of a year earlier, although up seasonally from February. The number of persons at work on farms was 9,374,000.

Every North Carolina farm should be prepared for emergency treatment in case of accident. This means that a first aid kit is essential farm equipment.

Students Attended District Meeting

Four Kings Mountain students, accompanied by their advisor, Miss Sarah Alexander, attended the Western District North Carolina Student Council Congress on April 28 and 29 at Canton High School in Canton, N. C.

The official delegates attending were Iva Lingerfelt, Jean Morrison and Jimmy Weaver. Patti Parrish was registered as an unofficial delegate.

Invocations were given by Paul Walker, Martin Harmon welcomed the ladies, and Mrs. D. F. Hord, Jr., responded.
