Davidson High School News

Mr. Gibson, members of the faculty and pupils of the Davidson high school are more than grateful to Dr. Phillip Padgett for donating the school a large First Aid kit with all the essential equipment. We needed the kit and shall make the best use of it.

Miss Gidney and Mrs. Gibson wish to thank the parents and friends who came out and helped with the plays presented last Friday to be successful. They truly hope that you enjoyed the plays. Friday night of this week, May 12 at 7:30 p. m., another of our good plays will be given for your enjoyment. The play "Have you seen Red?" in two acts will be presented by Mrs. V. P. Wiggins and her pupils. The play is one that you should not miss. Come out and let us enjoy the play together.

We at Davidson are proud of Miss Alice Mae Haywood. She has won the \$100 scholarship to the Winston-Salem Teachers College for the next school year and for the following three years if her records continue to be good. She had the highest average of any high school graduate recommended for scholarships. Miss Haywood was recommended by three Teachers College graduates now at Davidson: Mrs. K. W. Winston, Mrs. I. Gibson and Miss B. Jackson. We hope to have other interested boys and girls to recommend before the year is over. Davidson P. T. A.

We are convinced that the Davidson School Parent-Teacher Association is getting to be one of the most active Associations in the County. Our last regular meeting of the school year was held in the school auditorium Tuesday night past. There were more than 100 persons present. A program of songs was rendered by five of our Ministers of the city. They were: Rev. Walters, Rev. Thombs, Rev. Garvin, Rev. Hickman and Rev. Harkness. Everyone present enjoyed the program very much. There were interesting remarks by Rev. Harkness, Rev. Walters, Mr. Gibson and the president, Mr. W. Brown. The parents made a contribution of \$21 to buy letters for our basket-all stars who were winners of the District, County, and State runners-up trophies. Some of our girls will get letters also. Slides of the Davidson School May Day Activities were shown to the parents and explained by Mrs. Winston and Miss Jackson. They were in charge of the activity.

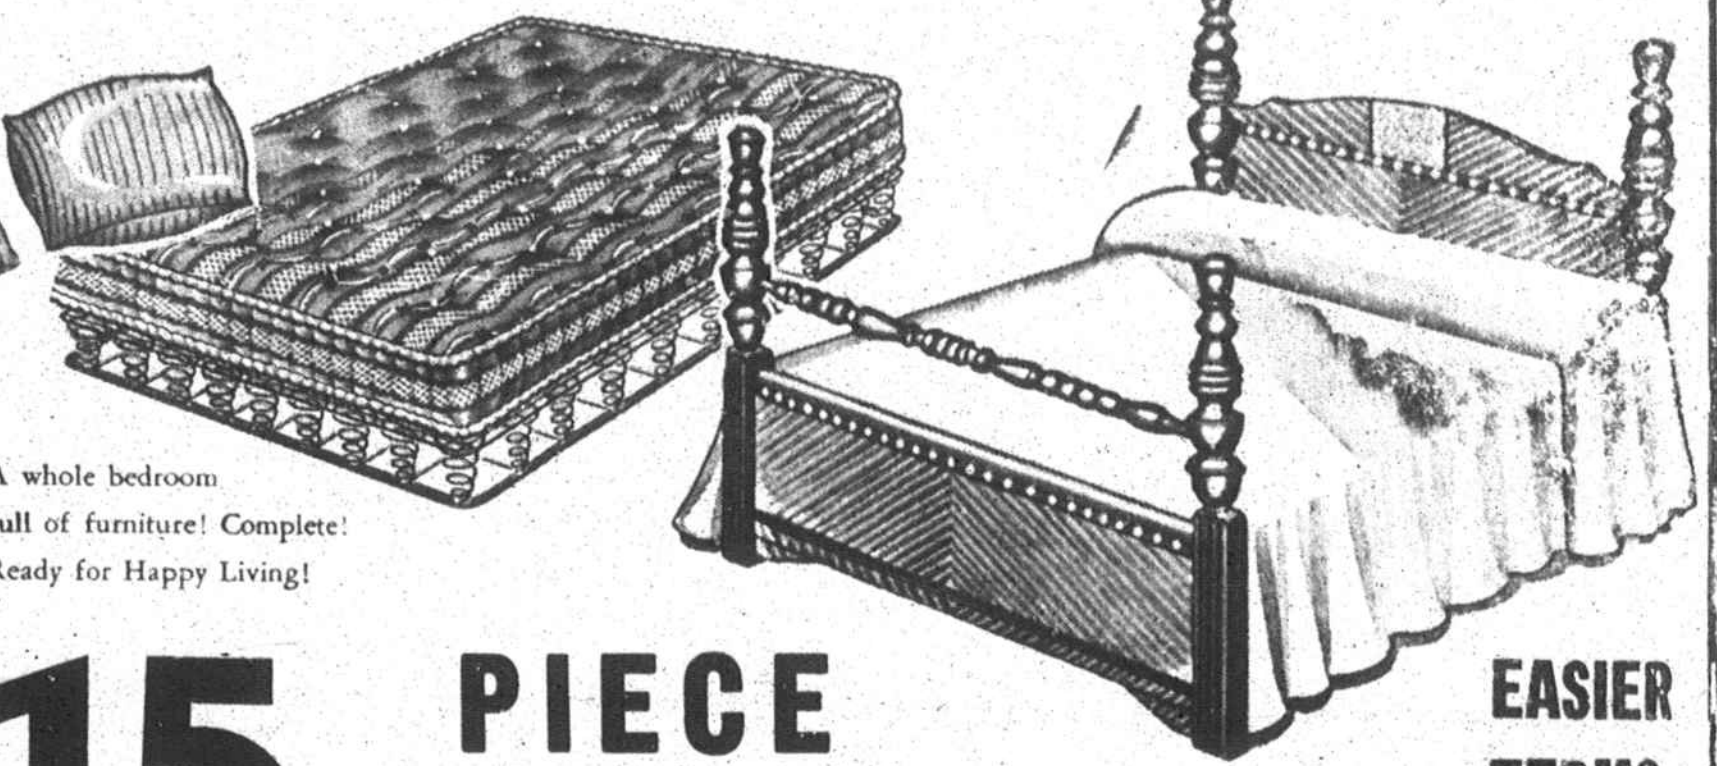

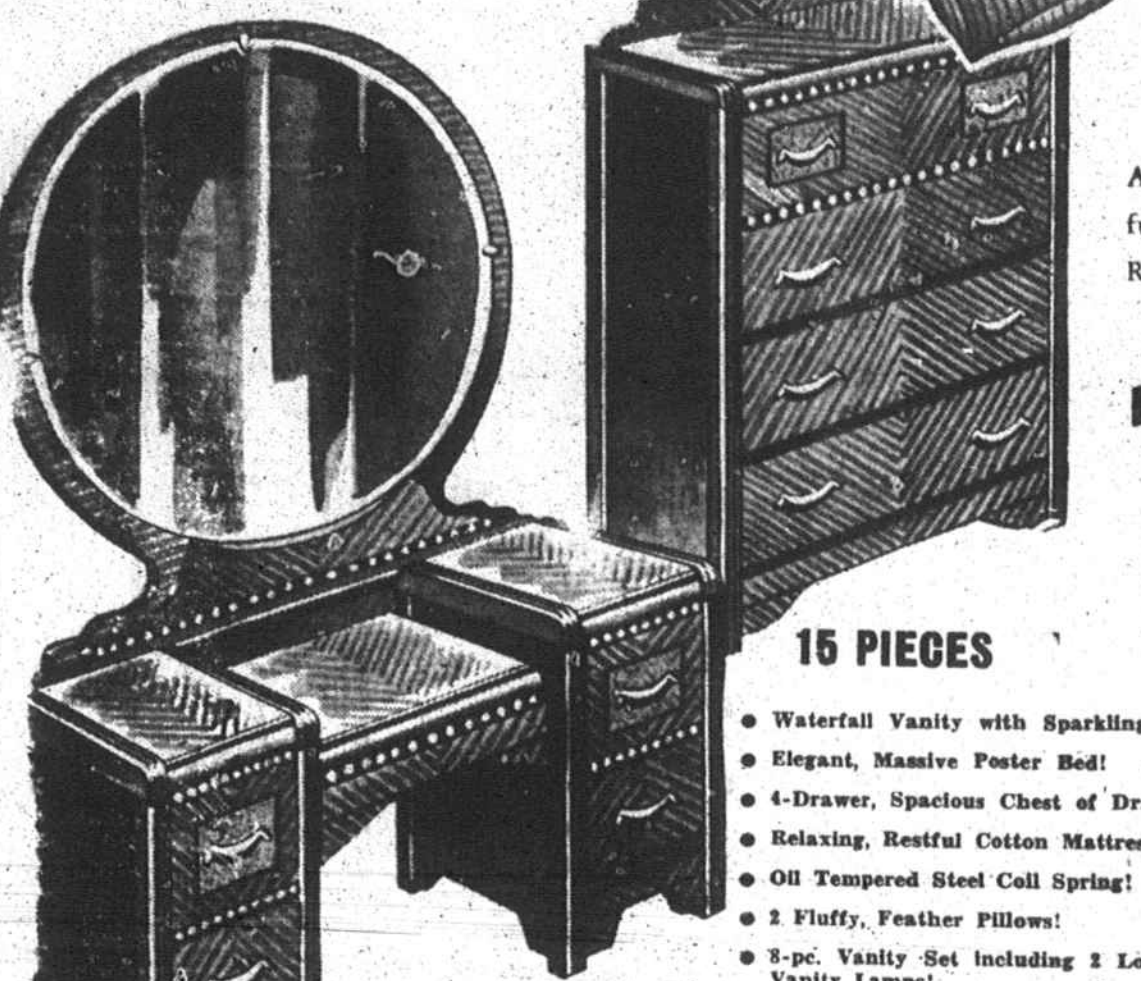

The last call meeting of the P. T. A. for this year will be held Tuesday night, May 16, at 7:40 p. m. We are expecting to see even more parents at this meeting. Our P. T. A. is doing and plans to do great things and your cooperation is needed. Let us know that you are interested by your presence.
