I have severis mentioned in al more Just like Ray. We can for give but I'll be damned if you Indeed so, for can forget. So don't talk to me athe wisest man bout good neighbors. Just try 'em that ever lived out and you'll find 'em out. Look in the world — how Scott done Smith and High Solomon —must Tax Harry did no better. The Biof had the New ble, the greatest book to ever be Deal in mind written, says your enemies are when he wrote in book: thou you those of your own household. bray a fool in a fool in a mortor Take it for granted to be so. How with a festle, yet will his folly could one expect people right over the fence to be any better. We see where a group of wise The greatest sin in your life and fellow. Oh, but some say I den't talk about my neighbor, I know him to the cross. I'm not a fool, I am not bad, I am not indifferent to what is right. I make my life Love everybody if you can.

fore the flood. They had men an ark to hide in but old Noah couldn't get the folks to go in the Now, if today Jefferson were to big ship. They didn't believe it People are still waiting, knowing The good Book tells us to love the fire works are coming sure as your neighbor. Why heck, who the flood came. It rained 40 days is your neighbor. You can't ans- it rained 40 nights. They called wer that. Let forget it, America Old Noah a fool, but when the When water got high and old Captain Columbus and his crew landed began to hustle around and load on the American: shores they up his new boat for a 40 day went down on their knees in float and two of a kind went prayer. They got most everything marching in from a command On they need now, but they have a High the people on earth began bout forgot to pray. All we hear is to fret and whine. Up on the we are the richest nation you ev- mountains they went and changer saw. About right, but only a ed their minds. They played to few own it all. That don't do you the old Ark Man that built the or men any good. I got all I Old Ark for a ticket to ride the boat. Too late. The boat is now afloat. The rain eame, the water got higher. The high mountains began to hide beneath this deluge of water. Finally the whole earth was deluged in one mighty ocean of water and the dead sleep in a watery grave. The flood descended. It was foretold 600 years before it started. Like the 4th of July. We are told death is under the wheel. We don't seem to regard it. I recken we should be sorry about all those that foolishly got knocked off. But, Gosh, they knew better. I did so, I stayed home. I want to see Christmas in all its glory. I know we can have a high hell time out on the highways if we get on the track and drive like the devil we will soon be with him. A living dog like me is worth 6 or 8 dead

Yes, they got a third war start ed. What will the harvest be? Let me see death, hell and destruction and no profit will any man get, All these war agitators should be hanged by the heels.

Yes, Truman got a raise in pay but he's far short of what a movie star gets, but they all the time getting divorces. But that's the order of the day. Why stay with one all the time. Well, that is all for now. May see you later, From this New Deal Store, Speaking without hesitation, Flashes all this useless knowl

"Wonderful, Son! I wouldn't take a million for your call!" edge, Like the brooks onward, Rushing ever to the sea, Gushes forth bits Of fancied wisdom From this New Deal Store, They keep right on Ever global trotting In a nation surely dying For the want, Of better knoweldge, Harry why on earth, Don't you find. A better job than fishing? Harry, had you heard about THE WAR?

> The average American hen lays 137 eggs a year.

Marketing Problems in North

The new publication is the rewas kicked out of Heaven. Now is love? It has many definitions, port of surveys conducted by W. they fight on earth 'til the com- but never been fully described. I P. Cotton, agricultural economist, have fell in love with some very covering the three post-war Smathers is a native of Jackson H. Y. Jr., and wife are spend-beautiful school girls. They were years, 1947, through 1949. Cotounty, and a graduate of Sylva, ing the glorious fourth of Juy in not beautiful. I was seeing douhe mountains of N.
