A TRIBUTE TO THE WOMEN'S CLUBS

These groups of your local women who have organized themselves into Clubs deserve the unstinted commendation of all of us! There are bridge clubs. There are self-improvement clubs. There are clubs whose charitable work among the needy exemplifies the finest traits of American womanhood. Most of these are home women, women with families and all the cares of home management. Yet they find time for richly-deserved recreation, as well as charitable activities. They are making the most of their busy lives ... and we heartily applaud their feminine proclivities. Let's give them generous support whenever they request it!
