

Central Gridders Battled Hard Friday To Hold Charlotte Tech to 14-0 Victory

A fighting Kings Mountain high school football team held a powerful, hard-charging Charlotte Tech team to two touchdowns here at City Stadium last Friday night as the Charlotte team notched a 14 to 0 victory in a non-conference game.

A speedy 19-year-old halfback, Carlos Strickland, was the difference in the offensive punch of the two teams as he scored both of Tech's six pointers, one on a one-yard line back midway of the initial quarter and again on a 13 yard run late in the final chunker.

Charlotte gained possession of the ball on the Kings Mountain 34 after Strickland had picked up five yards running back a short kick by Tailback Jim Kimmell. A 19-yard pass completion, from Quarterback Wally Fincher to End Charles Twitty, set up the touchdown plunge on the one-yard line.

Early in the final quarter, Kimmell punted 40 yards to the Charlotte 13 and Capt. Buddy Ross returned 2 yards to set up a long Tech drive went 85 yards in 14 plays for a score. Strickland going over from the 13. Center Grady Faulk scored both points after touchdowns by placements.

Strickland moved the ball 51 of the 85 yards in the final scoring drive.

Kings Mountain started a drive after receiving the kickoff after the first Charlotte score. The drive netted 58 yards but the Mountaineers lost the ball on a fumble.

The only other offensive spark generated by the Mountaineers during the game was stopped by another fumble.

Charlotte took Kings Moun-

10 Yds. lost by penalty	35
131 Total net gain	280

tain's kickoff opening the third period and Strickland hauled the ball back 20 yards. Tech started a drive from their 45-yard line that went all the way in 12 plays but Fullback Lawrence Medlin fumbled going across the goal and Kings Mountain recovered for a touchback.

The Mountaineers opened up a drive from their 20 that carried some 18 yards before Tech pounced on a fumble to stop it.

Kings Mountain held a Charlotte drive on their own 7-yard line as the second quarter ended, stopping another Tech scoring drive.

Kimmell saved another Tech score when he hauled Strickland down after the Charlotte speedster had romped 45 yards on a pitch-out from Fincher a few minutes before the half.

Great defensive play by Tackle Gerald Valentine highlighted the Mountaineers' line play and Wingback Charles (Billy) Shytle played a brilliant game at defensive left half.

Kimmell, although he got off a short punt to put Tech in scoring position in the first period, punted five times for an average of 39 yards per try. He got off a quick-kick early in the game for 48 yards and had boots of 40, 43, and 45 yards.

Fullback Don Bumgardner picked up 49 yards rushing, had runs of 18 and 8 yards called back because of penalties. He had runs of 16 yards, 9 yards, four for 2 yards each and four for 2 yards each.

Kimmell had runs of 15, 6, 5, 4, 3, 2 and 2 for 40 yards.

Shytle had runs of 18 yards and 8 yards.

Kings Mountain's passing attack failed to materialize, Kimmell trying only three with one complete for a gain of three yards. A long toss to Blocking

Citrus Sodas Good Afternoon Snacks

Rather than eliminate cool after-school refreshment from the youngsters' schedule, be sure they get something good for them—such as nutritious sodas made from Florida's canned citrus products. The small fry shown here are mixing their own thirst quenchers, which hit a high spot on the Vitamin C score. Canned citrus juices are good delicious flavors—orange, grapefruit, tangerine, and blended orange and grapefruit.

Back Jim Cobb, who had maneuvered behind the Tech safety man, slipped through the receivers hands. The lineups:

Pos.	Kings Mtn.	Tech
LE—Flowers	Lowery	
LT—Mauney	Shoemaker	
LG—McGinnis	Hoffman	
CG—Hullender	Faulk	
RG—R. Davis	House	
RT—Valentine	Wilson	
RE—Tate	Twitty	
QB—Cobb	Ard	
RH—Shytle	Atkins	
LH—Kimmell	Strickland	
FB—Bumgardner	Jenkins	

Kings Mtn.	0	0	0	0	0
Charlotte	7	0	0	7	14

Charlotte scoring: Touchdowns—Strickland 2. Points after touchdown—Faulk 2, both placements.

Substitutions: Kings Mtn.: Ends—Kiser, Jones, tackles—Fisher, Crouch; guards—McMackin, Welch; center—K. Davis; backs—McCartier, Griffin. Charlotte Tech: Ends—Chesser, Scott, Love; tackles—Stewart, Holmes, Fennell; guard—Ballard; center—Brown; backs—Medlin, Fincher, Kerchner, Watts.

Officials: Ed Fahl, referee; Bob English, umpire; Bob Kincaid, head linesman; and Bob Franklin, field judge.

State College News Wins Third Place

N. C. State College has won third place in the nation on the variety and quality of its agricultural news and publications, officials of the college were notified this week.

The announcement was made at the annual meeting of the American Association of Agricultural College Editors at Hunt, Texas. Lane M. Palmer, assistant editor of the North Carolina Experiment Station, attended the meeting.

New York won first place, with 58 points. Illinois was second with 56 and North Carolina third with 54. A score of five points was given for each entry rated "excellent" and three points for each entry rated "good".

North Carolina had nine "excellent," more than any other state. These were:

Experiment Station technical bulletin, Experiment Station annual report, and "Carolina Farm Features," regular manuscript service to radio stations, all prepared by Lane M. Palmer; Extension Service annual report, prepared by Curtis F. Tarleton; press service to daily and weekly news papers, prepared by William S. Humphries; regular newspaper column, "Agricultural Comment," prepared by Dr. F. H. Jeter, head of the Division of Publications; series of Kodachrome slides, best single photograph, and series of black and white photographs to tell a story, all prepared under the supervision of Dr. Ladis S. Bennett.

North Carolina entries rating "good" were: published picture story on turkey houses, prepared by Dr. Bennett; feature story, "They Can't Run Me Off," prepared by Dr. Jeter and published in the Farm Journal; and coordinated use of media on a single program (corn "war" with Virginia, prepared by all staff members.

Strickland's Ship On CAMID Operation

Climaxing the CAMID operation with a full scale amphibious assault landing on a beach in Virginia recently was the landing ship USS 398 of which William D. Strickland, gunner's mate, third class, USN, brother of Miss Leola Strickland of Kings Mountain, N. C., is a crew member.

For the fifth successive year, Cadets and Midshipmen of the U. S. Military and Naval Academies underwent basic joint amphibious training, which included classroom presentations in amphibious planning and techniques, practical work in the use of equipment, shipboard orientation, and a demonstration of gunfire support.

Federal Migratory Game Stamp Is NOT Needed For Dove Hunting

RALEIGH.—A clarification of federal rules regarding the use of migratory game bird stamps has been made by Clyde F. Patton, executive director of the North Carolina Wildlife Resources Commission.

Federal law requires all persons 16 years old or older who hunt waterfowl to have in their possession a valid migratory game bird stamp. Such stamps are not required for hunting doves and woodcock.

Stamps, however, are required for hunting of wild ducks, geese, or brant.

Stamps are sold at first-class and second-class postoffices and at other postoffices convenient to waterfowl centers.

Cost is two dollars each, and sets range from \$3.00 to \$5.00.

used by the U. S. Fish and Wildlife Service for purchasing suitable breeding, feeding and resting areas of land and water for waterfowl restoration purposes, administration and enforcement.

Illegal hunting of migratory waterfowl is punishable by a fine of not more than \$500 or by imprisonment for not more than six months, or by both fine and imprisonment.

Any person — whether he hunts or not — may purchase stamps to aid the program.

Cushions against wear and tear!

You can now get gyrol Fluid Drive—the proved oil-cushioned coupling between engine and clutch—on all 1/2-, 3/4- and 1-ton models.

FLUID DRIVE...only on DODGE

"Job-Rated" Trucks!

Your truck lasts longer!
gyrol Fluid Drive cushions against jars and shocks on more than 80 vital drive-line parts—including clutch, transmission, and rear axle. As a result, your truck lasts longer. Tires last longer, too, because oil-smooth starts help to avoid wheel-spinning.

Your driving is easier!
With Fluid Drive, power application is so smooth that you enjoy an entirely new standard of truck performance. You can loaf along in high, slow down, speed up again—all without touching gearshift lever or clutch.

Your upkeep costs are lower!
Your Dodge "Job-Rated" truck with Fluid Drive will spend less time in the shop, more time on the road. Because Fluid Drive protects transmission and other drive-line parts, it cuts repair bills, helps assure thrifty operation for a long, long time.

Come in for proof of Fluid Drive economy on Dodge "Job-Rated" trucks. And ask us for interesting booklet of many Fluid Drive advantages!

See us today for a good deal!
