

## Grammar Football Doubleheaders Set For Saturday Night At 7:30

Park-Grace is at home to Central and West is at home to East in a grammar grade football loop doubleheader scheduled for City Stadium Saturday night. First game is to get underway at 7:30 p. m.

The first game Saturday night is shaping up as one of the outstanding contests since grammar football was inaugurated here last season.

Both teams are "loaded" with good prospects and in the last doubleheader put on great offensive shows of strength.

Hardest work since the last games on September 26th, however, has been reported at the East school camp where Coaches Bud Medlin and Jim Gibson have only 15 boys to work with.

The East eleven suffered defeats in the first two outings but has been bolstered somewhat in strength by addition of players at several positions. The 15 man squad averages around 112 pounds. The starting eleven averages only 116 pounds.

Players are Glen Cable (120), Wally Patterson (120), lt. Jimmy Robbs (90), lg. Clyde Cobb (105), c. Guy Jones (120), rg. Hector Short (125) rt. Roy Dean Clerk (111), re. Max Blanton (132), qb. Harvey Whitger (100), rh. Tom Phillips (120), lh. Frank Phillips (134), fb. Gerry Logan (95), rg. Alton Blanton (85) lg. Don Thompson (110) hb. and Jack Fletcher (120) hb.

Coaches David Neill and Walter Harmon at West school have

a 27-man squad that averages around 110 pounds with Joe Meek Ormand, starting offensive center, tipping the scales at only 80 pounds.

West sports a husky bunch of players, however, with the four-tackles averaging 126 pounds, the six guards 110, the ends 119 and the four starting backs 111.

Quarterback Jerry Queen, 125, Fullback Earl Marlowe, 130, Wingback Bill Huffstickler, 95, and Tailback George Harris, 95, spark the West attack which operates from the single wing and "A" formations.

Other backs are Mike Houser (95), tailback, Bobby Houser (70), quarterback, and Jiles Cornwell (105), wingback or right halfback.

Up front the ends are Willis Green (125), Ronnie Ledford (110), Dean Blackwell (115) and Jim Yarborough (125); the tackles, Merl Valentine (130), Ken Burns (130), Eddie Goforth (120) and James Rushing (130); the guards, Ranny Arnette (130), Carvel Morrow (95), Yates Pennington (115), Dickie Thompson (110), Bill Bumgardner (100) and David Falls (110); and the centers, Ormand and Jerry McCarter (90).

Details on the other pair of teams were unavailable this week but both have top-notch outfits.

Henry Neisler and Robert Neill are coaches at Park-Grace and Bill Harmon is the headman at Central.

The grammar games are played under high school rules with shorter periods of playing time.

W. J. Fulkerson, former high school coach, is commissioner of the program.

### Officers Arrest Youths For "Peeping"

Two teen-age Kings Mountain boys were to appear before Juvenile Court Judge Everette Houser in Shelby Thursday afternoon on charges of "peeping tom."

Both youths were arrested near the house, one immediately after the call and the other a short while later, he said.

Iron was considered a precious metal by the ancient Egyptians. As early as 332 B. C. iron was being cast into various forms used for making swords, armor and ornaments, and other evidences of iron date back as far as 8000 years ago. Only in recent years was it discovered that the addition of nickel produced a cast iron which was definitely stronger, tougher, more uniform in texture and more resistant to wear and rust than ordinary cast iron. Today many thousands of pounds of Canadian nickel are used for this purpose.

Doors on both fresh food and freezer compartments of refrigerators, produced by one of the largest manufacturers, are held shut by the use of Alnico magnets. The doors will open at the slightest pull of the handle, thus the housewife doesn't have to fumble with latches while her hands are full of dishes.
