NEW MUD-SNOW TIRE OUTSTOPS OUTPULLS OTHER LEADING BRANDS

Here's proof from Pittsburgh Testing Laboratory!

STOPS QUICKER ON ICE	STOPS QUICKER ON SNOW	PULLS BETTER ON SNOW
<p>8 WHERE NEW BFG MUD-SNOW TIRE STOPPED</p>	<p>8 WHERE NEW BFG MUD-SNOW TIRE STOPPED</p>	<p>8 WHERE NEW BFG MUD-SNOW TIRE STOPPED</p>

GIVES 12 TO 64% MARGIN OF SAFETY OVER OTHER TIRES UP TO 24% GREATER PULLING POWER!

It's a fact! The new B. F. Goodrich mud-snow tire lets you stop on slippery ice or snow in from 12 to 64% shorter distance than other leading tires—a margin of safety that can make the difference between a safe stop and a collision. And the BFG tire gives you up to 24% greater pulling power to get you through deep snow. Tests by Pittsburgh Testing Laboratory, famous independent testing organization, prove it!

The new mud-snow tire is not just an "improved" tire. It has a radically different, scientifically designed tread. The new flex-lug clear digs deep, pulls you through mud and snow. It combines tremendous traction with long wearability. Yet it runs quietly on the open road.

PULLS YOU THROUGH MUD TOO! The BFG mud-snow tire digs into mud like a tractor tire. Let's you drive over bad roads on open fields without getting stuck.

Get winter-driving peace-of-mind like you never had before. Small down payment puts a pair of B. F. Goodrich mud-snows on your rear wheels now, before the first snowfall.
