

Central "B" Grammar All Star Gridders Play Friday At 7:30

With the Mountaineers, the varsity team, taking the week off with an open date, football interest here this week centered on the return battle Friday night between the Kings Mountain high school "B" team and the Grammar Grade All Stars. Kickoff time is 7:30 p. m. at City Stadium.

The "B" squad, coached by Jack Sink, eked out a 7-0 win on October 26th, in the first meeting of the two teams.

The Friday game is scheduled to mark the closing of the grammar program for the season. The program was begun last year by the Mountaineer Club, Inc., local sports boosters club, and majority of the members of the Central "B" team played in the program during the first year.

Members of the 1950 All Stars were selected by the coaches of the four grammar teams and represents the "cream of the crop" this year.

Coaches for the All Stars are Bill Harmon (Central team coach during the season, and Walter Harmon and David Neill, of the West school team.

Coach Sink can throw a forward wall at the All Stars that averages 140 pounds from flank to flank and a set of starting backs that tip the scales at 134 pounds each. Team average of 137 compares to an average of 126 for the Stars — 120 on the line and 132 in the backfield.

Admission for the game is 10, 25 and 50 cents and a large crowd is expected.

Lt. Blankenship Serving In Austria

Lt. Alan W. Blankenship, grandson of Mr. and Mrs. C. J. Gault, Sr., has recently been promoted to the rank of first lieutenant.

A member of the 510th field artillery battalion stationed at Linz, Austria, Lt. Blankenship has been overseas since August 15. He graduated from The Citadel in the spring of 1949.

He is the son of Mr. and Mrs. C. W. Blankenship, of Florence, South Carolina.

At Northwestern
EVANSTON, ILL.—Among the 23 students from North Carolina enrolled for full-time study at Northwestern University this fall is Miss Bonnie Lee McIntosh, of Kings Mountain, N. C., a student in the school of music.

The total harvested cropland acreage in the United States has changed little since 1910.

The newest way to affix notices to bulletin boards is through the use of Alnico magnets. About one-fourth the size of a cube of sugar, these new "tacks" are now sold with steel bulletin boards. Each magnet, which is made of a 25 percent nickel alloy, is capable of holding 33 times its own weight.

VISITS PARENTS — William H. (Bill) Spencer, above, 18-year old son of Mr. and Mrs. I. W. Spencer, of Cherryville road, arrived home last week from Cape May, N. J., for a visit before reporting to the Coast Guard at Miami, Fla., for duty.
