Justice Hits 14 As Clowns Win

The Carolina Clowns, sparked by Choo Choo Justice and Bobby Stewart with 14 points each, won a closely contested 59 to 47 victory over the Kings Mountain Stars here last Friday night in a game sponsored by the Mountaineer Club.

A full house watched the game at Central gymnasium as the Clowns went through their acts only after they had overtaken three Kings Mountain leads. The game was tied four times.

Paul Marklin, Cherryville football coach and former Catawba College grid star, sparked the Kings Mountain attack with 15 points, which was high score for the game. Don Parker, Kings Mountain, was in Mountain Rest cemetery in Kings Mountain.

Mrs. Ramsey was a member of Firestone Wesleyan Methodist church for 40 years. She had been in failing health for several years.

Mountain high school cage coach hit six goals for 12 points.

Kings Mountain started the scoring. Walt Harmon hitting for the two points, but All-America Griddler Huck Holdash quickly knotted the count and Parker and Bob Neill put Kings Mountain ahead with goals. Justice hit his first goal and Holdash hit another to tie the game at 6-all.

Coy Carson hit a free toss and Dick Bunting a goal with Harmon's two-pointer making it read 9-8 Clowns. Parker, Marklin, Jim Hulleider and Shu Carlton hit goals before the Clowns came back with Pet Anderson's two foul goals. Carson's two good free shots and a one-timer by Stewart, goals by Anderson and Justice and another one-timer by Stewart.

Jack Ruth hit a field goal for Kings Mountain and Parker kicked up three straight. Marklin's two goals sandwiched a one-pointer by Anderson and Justice's two goals were split by a two-pointer by Jim Hulleider as the half closed at 26-29.

Stewart cut the lead Parker had added with a goal early in the third period but Carson hit two quick goals and goals by Justice and Stewart put the Clowns four points out front. Rip Ryan hit a goal but Marklin hit quickly and Dave Neill a long one to tie the game.

Stewart hit another two-pointer and the Clowns were out front to stay.

Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase. But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire. That's what's so marvelous about this '51 Buick. If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice. But make note of this: That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection. Springs of stout spiraled steel on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown. Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design. Dynaflo Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential. The road-steady gait of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy. Better see your Buick dealer—soon.
