HIT SHELBY HERE FRIDAY NIGHT—The annual cage clash here between Kings Mountain and Shelby high school teams is slated for Central gymnasium Friday night. The Mountaineers, pictured above, will take a 5-2 loop record into the clash against Shelby's record of five wins, four losses. A Kings Mountain victory will keep Coach Don Parker's quint in the running for the Western AA championship. The team, front left to right, Johnny Kiser and Senior Steve Jones, guards, Jimmy Kimmell and Charles Painter, forwards, and Fred Tate, center. Back row, Ollie Harris, Harold Pearson, Bill Ruth, Senior Johnny Warlick and Charles Mauney. The girls game is set for 7 p. m. Next week Kings Mountain goes to N. C. S. D. on Wednesday night instead of Tuesday as previously scheduled, and to Cherryville, next Friday night. (Photo by Carlisle.)

Kiser, Jones Shine Over Ironmen

"I had to gamble on (Steve) Jones hitting that free throw" Coach Don Parker said Tuesday night at Central gymnasium after Kings Mountain high school split two close games with Cherryville high, the Mountaineers winning 21 to 19 and the girls losing 33 to 39 in the opener.

Jones sank the shot with 43 seconds left, his only chance from the free throw line during the game, and wrapped up a weird contest that "dragged" the clock and which saw a total of six personal fouls called by the officials in the final minute, five against the losers.

Guard Hoyle hit a charity shot with four and one-half minutes left, only one of seven tries by Cherryville in the final stanza, to send the losers ahead by 18-19 but Guard Johnny Kiser bucketed the clincher with three minutes, 15 seconds left to put the Mountaineers back out front.

Jones had fouled Hoyle with 56 seconds remaining as Kings Mountain was attempting to freeze the ball. After Jones' good toss Kings Mountain took the ball out of bounds on the last three personals called against the losers.

Kiser, who topped the scoring

with 8 points hit three quick goals in the last minute and one-quarter of the first period to send Kings Mountain into the lead at 9-7. The contest was tied up three times (18-18 at the end of the third period) and Cherryville took the lead three times.

Kiser's 4 of 10 record for 40 percent paced Kings Mountain's shooting which ended at poor 14.3 percent, 8 hits of 56 tries. Cherryville, forced to fire from a distance by the winners 2-1-2 zone defense, hit only 6 of 52 for 11.5 percent.

Faylene Falls' 15 points topped the local sextet's effort to climb from the loop cellar as Cherryville posted it's first win of the season.
