## TO THE VOTERS:

I solicit the vote and support of the citizens of Kings Mountain for the position of Ward 4 Commissioner for the forthcoming two years.

Already, the present administration is planning many improvements for the next few months, and I am seeking re-election in the interest of forwarding these plans, which will benefit all of the city.

It is probable that I won't be able to see all the people of Kings Mountain between now and May 8, but I want them to know that their support will be much appreciated.
