You can have fun figuring out your message from the Orient by use of this pleasant little letter puzzle. If the number of letters in your first name, is so r less, subtract from 7. If more than 5 letters in your first name, subtract from 13. Now take this result and find your key letter in the word ORIENT at the top of this puzzle. Then, starting at the upper left corner, check each one of your large key letters as it appears from left to right. Below the key letters is a code message for you.
