Craftspun Gives Sight Tests

Around 300 employees of Craftspun Yarns, Inc., completed sight tests in a company-sponsored visual health program at the plant this week.

Employees were given eye tests by a visual measuring machine, the Bausch & Lomb Optical Co. "Ortho-Rater", by Miss Mary Cooney, nurse from the Scranton, Pa., plant.

The instrument measures visual skill and is a screening device to determine whether the person needs to consult an optometrist, G. C. Kelley, plant manager said.

Mr. Kelley reported near 100 percent cooperation by employ-

ees at Craftspun. He said the company would pay \$16 toward purchase of glasses or change in present glasses if required after examination by Dr. N. H. Reed, Kings Mountain optometrist.

Results of the "ortho-rater" tests are not used for diagnosis of visual conditions, Dr. Reed said, but only test visual performance. Some 30 percent of the Craftspun employees who took the test should see an optometrist, Mr. Kelley reported.

The state highway safety division has purchased "ortho-raters" for each of its 100 licensing stations and use of the instrument in driving license tests was begun here July 19th.

In North Carolina, milk, less than 12 cents per lb., is the greatest food value on the market today.

Softball Loop All-Star Game Friday Night

The softball association all-star game, postponed from Wednesday afternoon due to a conflict at the park, will be played Friday night at City Stadium with the leading Burlington nine facing the pick of the rest of the loop. Game time is 8 p. m. and no admission charge will be made.

The event will actually be a tripple-header, with a pair of boys recreation baseball league games on tap beginning at 5:45 p. m. The games are being sponsored by Troop 12, Boy Scouts.

The 8 o'clock softball feature will be a nine-inning affair and officials are hoping for a large turnout. Troop 12 Scout officials, who are sponsoring the event to raise money for the city's newest troop, have announced plans to ask for a donation at the game, rather than charge an admission. Large crowds of citizens have been watching league softball games here this summer.

Coaches Will Grice (Bonnie) and Gus Hartsoe (Craftspun) will send a lineup after the Stars from the following roster:

- Infielders—
- Rocky Ford (Craftspun)
- Harold Pearson (Craftspun)
- Junior Hartsoe (Craftspun)
- Horace Styers (Bonnie)

- Major Loftin (Bonnie)
- Ken Hardin (Legion)

- Pitchers—
- Wallace Shockley (Craftspun)
- Charles Mathis (Bonnie)
- Carl Wilson (Legion)
- Catchers—
- Bobbie Reynolds (Craftspun)
- Red Fite (Bonnie)

Coach Jack Bridges of the Phenix nine will send a team on the field that has lost only one of 13 starts this year. The Spinners won 12 before losing to Craftspun July 13 by 7 to 5.

- The Burlington roster:
- Junior Bennett, cf
- Luther Bennett, lf
- Bob Huffstetler, c
- Jim Connor, 1b
- Coley Guyton, ss

- Bruce Thorburn, 2b

The first boys baseball game of the bill pits the Park-Grace nine as hosts to Reynolds Motors, with Craftspun "at home" to Mauney Interests in the second.

Lady's Lost Wallet Returned By Finder

A lucky Kings Mountain lady had a lost wallet returned to her by the finder this week.

John Miller, of East King street, found a wallet containing a quantity of money on July 18 and belonging to Mrs. Susie Souther.

Mrs. Souther left town that day on a trip to Washington with Mrs. Ruth Gamble, who went to visit her brother, John L. Davis, at Mt. Alto veterans hospital.

Mrs. Souther returned to Kings Mountain Sunday, identified her wallet, gave Mr. Miller a reward and claimed the lost article.
