

Cagers In Finale Here Friday Night Against Shelby in Important Tilt

Kings Mountain high school is scheduled to windup the 1952 cage season here Friday night against Shelby. Tuesday night's postponed game against Newton-Conover here was to have been played last night (Wednesday).

Evidently no other Western (AA) games were played Tuesday, with Cherryville attempting to travel to Cliffside but failing. The Ironmen can sew up a spot in the annual WNCSSAA tournament at Statesville next week with a win over helpless Cliffside.

As for Kings Mountain's chances of making the event (only four teams from the Western AA loop and four from the sister, South Piedmont loop are to be invited to play), it appears that wins over Newton-Conover and Shelby will probably give the Mountaineers a high enough percentage to make the grade. However, last week the race

Lutherans Begin Lenten Observance

Observance of the Lenten season began Wednesday evening at St. Matthew's Lutheran church, with a service of Holy Communion.

Services will continue each Wednesday evening at 7:30 with meditations on the Passion story, and on Sunday morning at 9:45 Dr. W. P. Gerberding, the pastor, will begin a series of instruction classes for Easter membership.

During Lent, Sunday morning sermons will be on the Gospel lessons, with evening sermons at 7:30 devoted to the Old Testament types of Christ's suffering.

Grover Cagers Post Twin Win

GROVER — Grover bested Mooresboro in a Cleveland County league doubleheader here last Friday, the boys winning 74-38 and the girls 61-51.

Al Hambricht and Tommy Keeter led Coach Gene Turner's boys to their fifth loop win with 15 points each. On the season, the Grover boys have won 10 and lost 12.

Peggy Keeter paced the Grover sextet with 32 markers as Coach W. F. Powell's lasses posted their 10th loop win without a defeat. Over the season the sextet has won 21, losing their only game in the Valdeese tournament.

On Feb. 19th, Grover downed Polkville in a twin bill with the girls winning 67-43 and the boys 50-40.

Peggy Keeter had 47 for the girls and Al Hambricht hit 18 for the boys.

Foot Officials Attend Convention

Edwin R. Goter, assistant plant manager, and William R. Hudspeth, Jr., chief chemist, of Foote Mineral Company in Kings Mountain, spent last week in New York and Philadelphia.

From February 18th to 20th, the two men attended the American Institute of Mining and Metallurgical Engineers convention at the Hotel Statler in New York.

Mr. Goter and Mr. Hudspeth also attended their first Foote Mineral company stockholders meeting at the Foote Plant in Pennsylvania. This is a meeting of both employees, and outside stockholders. Most of the Foote employees own company stock as a result of an incentive bonus plan.

A unique innovation at the meeting was a television program which allowed the stockholders to see the operations of the Exton Plant, while seated in the meeting hall.
