## Mrs. Blackmer Fetes House, Garden Club

Mrs. Hayne Blackmer graciousy entertained members of the House and Garden club at the Country Club on Wednesday af-

The members were delighted to find the speaker for the afternoon to be one of their former members, Mrs. Joe Evans, now of Statesville, who presented the club a very timely program on Control of Garden Pests and Diseases. She had on display several sprays and powders that were highly recommended for all plants. Mrs. Evans praised the club for their program during the

Mrs. Fowler and Mrs. Gilbert both of Statesville were guests of Mrs. Blackmer. They judged the arrangements which were of green and white to protray the St. Patrick motif. On the entrance hall table a dark green container held white snapdragons with jonquils dyed green used in the center for accent. Also on the table man's hat. The other arrangesnapdragons, white chrysanthemum and galax leaves.

### Mrs. H. E. Lynch Bridge Club Hostess

Mrs. H. E. Lynch entertained the Ace of Clubs Thursday afternoon at her home on Ridge street. The home was beautifully arranged with bouquets of mixed spring flowers, dominated by narcissus and jonguils.

Contract bridge was played in several progressions and when tallies were compared, Mrs. Harold Hunnicutt proved to be the recipient of the high score for members. Mrs. Jacob Cooper received the runner-up prize. Mrs. H. C. Mayes received the high score for the visitors. Those playing other than members were Mrs. J. P. Smathers, Mrs. W. W. Tolleson and B. S. Neill.

During the progressions the hostess was assisted in serving a lovely spring party plate with with ice tea. Easter bunnies and eggs were used on the tables.

A labor-saving mechanical thinner-weeder has been developed for use in sugar beet plantings. It promises to eliminate one machine operation and reduce the amount of hand labor required for thinning and weed-

Farm Telephones in 1951 . . .

# **Southern Rural Telephones** Pass the Half Million Mark

THE number of rural telephones served by Southern Bell passed the 520,000 mark in 1951. More than 77,000 were added last year alone.

Even bigger things are planned for 1952, provided we can get the necessary materials. Many more Southern farmers are eager to enjoy the convenience and moneysaving advantages of telephone service. We are working hard to fill their needs. And we expect to have another 82,000 rural telephones in service by the end of this year.

Meeting the needs of farm families is a big and costly job. But it's a mighty important job to us-because it's so important to the South's prosperity, in town and on the farm
