IN MEMORIAM

HOYLE—In memory of Arthur C. Hoyle.
One year has passed since that sad day
When the one we loved was called away;
God took him home, it was His will,
But in our hearts we love him still.

Please keep him, Jesus, in Thy arms
Till we reach the shining shore.
Thou, O Master, let us have him
To love as we did before.
Louise and Nat.

Busy Session Heard Monday

Judge E. A. Harrill faced a busy docket in the regular weekly Recorder's court session Monday afternoon at City Hall. City Solicitor Jack White prosecuted the docket.

Alfred Davis, charged with assault on a female, was taxed with court costs. Immediately after the case was completed, his wife, Mrs. Lula Davis, was arrested for assault after she had hit Davis, on the porch of City Hall, and threatened his life, officers said.

Mrs. Davis was cited for contempt of court and was placed under a \$50 bond. Judge Harrill ordered a warrant drawn against her for assault.

Floyd Montgomery was sentenced to 24 hours in jail for contempt of court.

One defendant paid the costs after conviction of public drunkenness and four cases were dismissed.

Howard Connor of Clover, S. C., received a 60-day sentence suspended upon payment of a fine of \$100 and costs, on a charge of driving drunk. He was also charged with driving without a license but that count was not pressed. His driver's license was suspended for one year.

One defendant, O. A. K. Schenk, Jr., was tried on four different charges. Judge Harrill combined charges of malicious damage to property and of public drunkenness in giving Schenk a 30-day sentence, suspended upon the payment of costs. Charges of assault on a female and of attempted assault with a deadly weapon were also combined for sentencing.

Schenk received a 90-day sentence on those charges, suspended on payment of a fine of \$10 and costs and the conditions that he not break any laws of the State and county for a period of one year and that he live peacefully with his wife for one year.

A charge against Catharine Schenk of affray and malicious damage to property, was dismissed.

A case against Fletcher Brown, charged with lending driver's license, was not pressed.

Cases continued included: Elliott Helms, charged with public drunkenness and illegal possession of non-tax-paid whiskey.

Emmett Tate, charged with reckless driving.
