City's Easter Weather Varied

Kings Mountain celebrated Easter last weekend with a variety of activities, both spiritual and secular.
Almost every one had a long weekend, either getting a Saturday or Monday holiday. Some few got both days off.

Churches of the community were filled to capacity on Sunday morning for 11 o'clock services, and a large audience attended the annual sunrise service at Memorial Park in Mountain Rest cemetery.

Merchants of the community reported business brisk during the pre-Easter weekend, with apparel merchants having difficulty in serving their patrons.

The weather was hardly ideal on Easter Sunday, though the weather man, perhaps trying to please all, furnished an interesting variety. It rained at the morning church hour, but the sun was shining almost all of the afternoon. Late Sunday evening, the clouds opened again.

The Monday holiday, which a large number of retail businesses observed, was quiet in the business district, though drug stores, service stations and barber shops operated on regular schedules. Movie houses appeared to be doing a brisk business Monday evening.

Fishing was on the agenda of many citizens, who invaded the rivers and lakes Monday in spite of a brisk, biting wind.

Police Chief S. R. Davidson reported a reasonably quiet weekend with a small arrest total.

Student Congress To Be Held

Miss Janell Medlin, Bill Ruth, Jerry King and Miss Helen Logan will represent Kings Mountain high school at Western District of North Carolina Student Council Congress which will convene in Forest City this weekend.

The theme of the convention is "The Student Council's Place in Today's School".

The two-day event will begin Friday morning at 10 o'clock with registration. The opening session will begin at 1 o'clock with Dr. Clyde A. Erwin, State Superintendent of Public Instruction, as guest speaker.

Topics for discussion will be: "What Should Be The Extent Of The Student Council's Authority?" "What Type Of Project May Be Successfully Carried Out By The Student Council?" and "How Can The Student Council Promote School Spirit In The School's

Legion Junior Drill Set Saturday At 10

Junior baseball candidates are being asked to report for a drill session at City Stadium on Saturday morning at 10 o'clock.

This does not mean that the Kings Mountain American Legion post has definitely decided to sponsor a team. Officials pointed out, definite sponsorship of the team will depend on the fund drive, currently underway, and on the interest shown by boys of the junior age group.

All boys born in 1935 or later are being urged to attend the initial drill. The presence of all boys interested in the team is important. It was pointed out, and most probably will have a decided effect on the post's decision to field a team this summer.

Mountaineers Here Tuesday

Kings Mountain high school's baseball team is slated to hit the road Friday for a Western (AA) contest at Rutherfordton - Spindale high school's field and on Tuesday afternoon is scheduled to meet Newton-Conover here at City Stadium at 3:30 p. m.

The Friday contest in Rutherford County will mark the start of the second half of the 12 game schedule.

Kings Mountain defeated Coach "Pop" Simmons' Hill Toppers here on April 8 in their initial victory of the season. The score was a close 7 to 6 and another good game is in prospect.

Newton's ace southpaw, Hom Isaac tossed a no-hitter at the Mountaineers at Newton-Conover's park on April 4 but the Kings Mountain nine is not anticipating another such occurrence, even if the slim portside gets the mound call for the Tuesday game.

The Mountaineers are away at Lincolnton on April 25 and return to City Stadium for a three-game stand to finish out the season. Daily Activities?"

Forest City Woman's Club will be hostess at a tea from 4:30 to 5:30. A banquet and dance will be given Friday night at the Spindale Armory with Dr. Robert Meridith Helm, Jr., Assistant Professor of Philosophy, Wake Forest college, as guest speaker.

Discussion periods will be held until noon Saturday concluding the two-day event.

Ironmen Defeat Central 6 to 3

Cherryville pushed over four runs after two were out in the top of the ninth at City Stadium Tuesday afternoon to defeat Kings Mountain high school 6 to 3 in a Western (AA) loop contest.

It was Cherryville's third win, two at the expense of the Mountaineers, in seven starts to date. Kings Mountain has won two and lost four.

Righthander Harold Pearson had a two-hitter working until the fatal ninth. In that frame he walked the leadoff man, got the next two on fly outs but then gave up a single to Left Fielder Alexander, a double to Second Baseman Lail and a single to Shortstop Carl (Boozie) Dellinger before he struck the last man out but not before Dellinger had swiped third and romped home on a

Four Local Area Men Are Inducted

Four Kings Mountain area men were among a group of 16 inducted into the armed forces this week from Cleveland County.

They were: David Zenus Woods, route 3, Roger Talmadge McDaniel, route 2, Theodore Camp route 1, Grover, and Thomas A. Dellinger, route 2, Cherryville.

The Cleveland County selective service board has been ordered to furnish five men for induction on May 12, and 20 men for pre-induction examinations on May 28, Mrs. Clara Newman, clerk to the board, said Wednesday.

The visitors scored in the third inning when Dellinger sent Alexander home via a two-base hit.

In the sixth, Kings Mountain went ahead, scoring two runs on no hits as Dellinger contributed four errors during the frame. The losers left the sacks loaded in that wild inning and also in the previous frame.

Bethware Wins A Pair

Grover is scheduled to play at No. Three and Lattimore is at Bethware in County League action Friday and on Tuesday the big Number 4 Township clash between Grover and Bethware is slated for the Bethware field.

Bethware won a pair during the past week to gain on the field, with Grover dropping two. Grover has now won three and lost three and Bethware has a record of two wins, two losses.

Bethware polished off Mooresboro 8 to 2 at Bethware Tuesday with Giles Bell tossing a four-hitter. Carl Bell had a double and a triple in four trips and Dean Champlin had a triple and a single in three official journeys.

On last Friday, Bethware edged Lattimore with three runs in the seventh, the final a neat 5 to 4. Marvin Ledbetter scattered six hits effectively over the route for the winners and Ken Spencer had a triple in three trips for their big blow. Carl Bell, with 2 for 4 including a double, and Dean Payne, also with 2 for 4 including

a double, paced the 8-hit attack.

On Tuesday, Lattimore broke a tie in the top of the 9th with a pair of runs for a 4 to 2 verdict over Grover.

Bobbie Wells went the extra-inning route for the losers, scattering six hits, walking only one and whiffing four. The loss runs his season record to one win in three starts.

Charlie Mullinax, with a triple and a run batted in, and Bobby Ford, with a double, led the hitting for the Grover nine.

On last Friday, Grover fell victim to Mooresboro 4 to 0 as Don White spun a three-hitter, walked only one and struck out five. The loss was his first of the season and gives him a record of two wins, one loss. Joe Plumley had 2 for 4 for Grover in a six-hit attack.

Clinton Brooks Recently Promoted

WITH THE 2D INFANTRY DIV. IN KOREA - Clinton U. Brooks of Cooper Town, Kings Mountain, was recently promoted to sergeant while serving on the muddy Korean battlefield with the 2d Infantry Division.

SOCIETY

Miss Mayes Hostess To Senior Play Cast

Miss Ann Mayes was hostess to members of the senior class play cast and production staff at her home Friday night April 4 after presentation of the senior play, "Introduce Susan".

Dancing was enjoyed and records were played.

The hostess served cakes, sandwiches, potato chips, cookies, carrots and celery.

Out-of-town guest was Miss Topsy Wilson, of Gastonia.
