Girl Scout News

Girl Scout Troop 11 from Central Methodist Church went to Charlotte Saturday, October 18, 1952. We went on the train. The conductor took us through the train.
 When we got there, we walked to the square, caught a bus, rode four blocks from the Museum and walked the rest of the way.
 When we got to the Children's Nature Museum we saw a film. There were exhibits of stuffed birds and animals.
 Then we ate lunch at the S & W. We went to Ivey's and then to Sears. Some mothers picked us up and we went home.
