BRING IN

Come in today with your watch. Remember-a little watch care often saves costly watch repair. And any watch-old or new-And any watch—old or new—should be seen by a professional jeweler at least once a year. Such periodic checkups will help you keep your watch running on time all the time and at the lowest cost! Inspection is free, of course, and there is no obligation. So why next there is no obligation. So why not
