

Grover Baptist Choir To Present "The Holy Nativity" Sunday Night

GROVER — The choir of the First Baptist Church will present a Christmas pageant on Sunday evening, December 21 at 7:30 o'clock, "The Holy Nativity".

The pageant consists of the taxing at Bethlehem, the shepherd's vision, the adoration of the shepherds, the story of the wise men.

The musical selections for the program are: "O, Come All Ye Faithful", "All My Heart This Night Rejoices", "Watchmen Tell Us of the Night", "O Little Town of Bethlehem", "Hark! The Herald Angels Sing", "Silent Night", "We Three Kings of Orient Are", "Away In a Manger" and "Joy To the World".

The pageant will be directed by Mrs. D. A. Moss, Mrs. H. L. Beam

Grover Cagers Take Two From Bethware

Grover downed Bethware in a Cleveland County Basketball League doubleheader at Grover last Friday night, the girls winning the opener 61-19 and the boys copying the nightcap 50-22.

Peggy Keeter rimmed 34 points to pace the undefeated Grover sextet. Treva Ponder tossed in 12 and Betty Watterson 8 to keep the winner's attack going.

Bethware took a quick 14-7 lead at the end of the first period but Grover came back to score 27 points to the losers single in the second frame to wrap up the contest.

Joe Plumley paced the winner's scoring with 12, while Tommy Keeter and Eddie Tucker had 10 each.

Carolnians Lose Drivers' License

RALEIGH — The Department of Motor Vehicles reported today that 772 North Carolnians lost their legal driving privileges in November for drunken driving.

During November last year 805 revocations were reported for convictions of the same charge.

Other violations, which the Department summarizes monthly, included 65 for speeding over 75 mph; 63 for driving after license revoked; 56 for two offenses of speeding over 55 mph; and 46 for reckless driving.

Transporting liquor brought 28 convictions and 19 faced charges of being habitual violators. All convictions call for the revoca-

tion or suspension of operators' licenses.

In all there were 1,104 revocations and 531 suspensions in November as against 969 revocations and 335 suspensions a year ago.

Credit is an important factor in achieving much-needed increases in farm production. Operation of a farm today calls for much greater capitalization than was true 50 years ago, or even 10 years ago.

Last year bees produced 259 million pounds of honey. This year's production is estimated at approximately the same figure.

An outbreak of foot-and-mouth disease has occurred on the Island of Martinique, according to the U. S. Department of Agriculture.
