

Police Officers Report Accidents

Margaret Ann Jackson, 10-year-old daughter of Mr. and Mrs. T. W. Jackson, suffered minor injuries in an accident Saturday, March 14, on Railroad avenue, according to a report by Kings Mountain police officers.

The accident was unavoidable, according to witnesses who said that the young girl ran out in front of a 1950 Mercury driven by Jack Clayton Bird of Ocean-side, Calif. She received minor cuts, officers said.

Other accidents reported by city police officers occurred last Wednesday and Sunday and

Organization are Lewis Falls, Yates Harbison and Jack White.

Mr. Walker will succeed Joe Hedden as president of the club. New officers are to be sworn into office at the first meeting in May.

He was elected by acclamation after Mr. Falls and Wilson Griffin withdrew from the race. Mr. McGinnis was also named by acclamation after Mr. Griffin withdrew. Mr. Reed defeated Mr. Saunders for the other vice-presidency in a close vote. Mr. Kelly, Mr. Jonas and Mr. Dixon were elected by acclamation. Mr. Morrison and Mr. Phillips won directorships on the first ballot and Mr. Saunders defeated C. T. Carpenter, Jr., in a runoff for the third spot.

Mr. Oschenriter urged members of the club to take a more active part in state, district and local Jaycee affairs.

He was a guest of the club at the meeting, along with J. L. Wilkie, of Shelby, third district chairman, and Dick Ferchaud, Shelby president-elect.

Mr. Wilkie urged Kings Mountain Jaycees to attend the first meeting of the new district at Shelby Community Center on April 10. State Jaycee districts have been realigned effective at the end of the current fiscal year.

Mr. Ferchaud, co-chairman of the county March of Dimes drive, congratulated the Kings Mountain club and citizens of Kings Mountain on "the superlative job" done during the recent fund drive.

Bill Beam, of Shelby, former Kings Mountain Jaycee, was also a guest of the club at the meeting.

President Joe Hedden, after conducting the annual club elections, announced that club by-laws provide that a member absent at five consecutive meetings without a makeup or in arrears for three months be suspended from the club and that a member whose dues are in arrears for six months be automatically dropped from the club roll.

He also announced that all newly elected officers and directors of the club are to meet on April 8.

President-elect Paul Walker announced that Lewis Falls will coach the club's Little League team this summer and that Bill Jonas would serve as club director in the league organization.

Jess Taylor, of Shelby, a member of the Shelby Community Center staff and commissioner of softball district seven, was also present and met with directors after the regular meeting. The club directors voted to sponsor the annual district tournament here in August. K. E. Morrison and Harold Phillips were named co-chairmen of the tournament.

Jaycees Hear Oschenriter

"Jaycees will run the state, directly or indirectly, in the near future. What we learn today the unselfish Jaycee way will largely determine the future course of North Carolina," Gene Oschenriter, of Asheville, state national committeeman, told members of the Junior Chamber of Commerce at the regular meeting of the organization Tuesday night.

Board Sets Taxing Policy

Seventy percent of the appraised value of Cleveland County property valuations will be taxed, according to action of the county board of commissioners Monday.

On the basis of this action, the county's taxable property valuation for 1953 will be approximately \$83,000,000, Max Hamrick, county tax supervisor, told the board.

Mr. Hamrick estimated that a tax rate of 85 cents per \$100 valuation would return about the same amount of money to the

day's work for a day's pay, then I would advise those individuals to elect someone else as Mayor as I do not want that type person on the payroll. I would like to say here that I have not the least idea as to who is giving good service and who is not but if elected I would make it my duty to find out the true status of each employee. I would demand that the employees of the city be courteous to the public at all times and I would never make a demand that I would not apply to myself.

"The city manager election issue is certain to come to the surface and I would be nothing less than a hypocrite if I didn't take a stand. I have always stood against the city manager form of government. I did in the 1948 election and I see no good reason to change now. However, I'm quite willing to abide by any and all decisions the voters might make.

"My campaign will be conducted on the same high plane in which I hold the office and I shall not attack any opponent unless I am attacked, realizing that he has the same right to offer for this office as I have.

"I may have some further statements to make from time to time.

"If the voters believe that the policies I stand for are good for the people of Kings Mountain then I shall appreciate your support. If elected I trust you will not have to apologize for having elected me."
