## and SOCIAL SECURITY

By Leola M. Byerly, Field Rep. Gastonia Social Security Office

At the end of February 1953 over 5,200,000 persons were drawing Federal old-age and survivors insurance benefits. Miss Margaret H. Lowder of the Gastonia social security field office said today. "Eighty-two percent of all jobs are now covered by this program, and over 66 1/2 million persons have been working long enough in covered employment or self-employment to be insured." Miss Lowder declared. "This means, in most cases, that if the worker dies, his family could draw monthly payments, after death."

The Social Security Administration field office, a part of the new U. S. Department of Health, Education, and Welfare, is located at 212 West Second Avenue in Gastonia. Miss Lowder urges anyone desiring further information about this law, or wanting to file a claim, to make inquiry there. (Or see the representative from the Gastonia office who visits at the City Hall in Kings Mountain on the first and third Mondays of each month at 9:30 a. m.)

Mr. and Mrs. Charles Houser of Kings Mountain spent Sunday with his parents, Mr. and Mrs. Roy Houser.

A seasonal decline in hog prices will probably begin in late summer. Pork prices have risen steadily so far this year.
