We hesitate to mention prices, but there are things one should consider before sorrow comes to his home. We do not believe that funeral services should be so costly that the doctors, hospitals, and grocers who have carried along during long illnesses should not receive their compensations.

When death comes for a loved one you naturally wish the best to be used for them. Don't let our prices lead you to think that the quality of our merchandise is poor. We are prepared, because of low overhead and other business interests, to sell from \$50 to \$500 cheaper than we would otherwise.

We operate no Burial Association, and never expect to.

- We offer:
- Free ambulance service within the city limits of Kings Mountain
 - A full adult casket with nationally - advertised vault for \$185
 - A 20-gauge metal, hand-polished casket with crepe interior and nationally-advertised vault for \$535
- These prices include all services when interment is made within a ten-mile radius.
