

NORTH CAROLINA, CLEVELAND COUNTY.
In The Superior Court
Before The Clerk
Adoption of
Tony Ray Wylie, Minor,
by Samuel Ralph Davidson
and his wife,
Fearl Reynolds Davidson,
Petitioners

vs.
William B. Wylie,
Defendant.

NOTICE
 William B. Wylie, the defendant above named, will take notice that an action has been begun by petitioners in the above entitled matter in the Superior Court of Cleveland County, North Carolina, wherein petitioners are asking the court that they be allowed as prescribed by statute to adopt a minor child, Tony Ray Wylie; and said defendant will also take notice that he is required to appear at the Clerk of Court's Office at Shelby, North Carolina, within twenty (20) days after the 8th day of October, 1953, and answer or demur to the petition now on file in the Clerk's office, and upon his failure to do so petitioners will apply to the court for the adoption of said minor child as set forth in said petition.

This 8th day of September, 1953.

JEANETTE WILSON, Asst. Clerk Superior Court
 s-10-o-8

TRUSTEE'S SALE OF LAND
 Under and by virtue of the authority conferred by that certain deed of trust recorded in the Office of the Register of Deeds of Cleveland County, North Carolina, in Book 410 at page 36, default having been made in the payment of the indebtedness secured thereby, the undersigned Trustee will, at the request of the legal owner and holder of said indebtedness, sell at public auction to the highest bidder for cash at the County Courthouse in the City of Shelby, North Carolina, at 12 o'clock noon on Monday, the 12th day of October, 1953 all that certain piece, parcel and lot of land situated in the Town of Kings Mountain and being lots

FORCUNE TELLER
ORIENT
 2 3 4 5 6 7

YOU can have fun figuring out your message from the Orient by use of this pleasant little letter puzzle. If the number of letters in your first name is 5 or less, subtract from 7. If more than 5 letters in your first name, subtract from 13. Now take this result and find your key letter in the word ORIENT at the top of this puzzle. Then, starting at the upper left corner, check each one of your large key letters as it appears from left to right. Below the key letters is a code message for you.

State Fair Marks 100th Birthday

Agriculture's annual "show window", the N. C. State Fair, will start a new century of service as an educational and inspirational institution when the 1953 exposition is held in Raleigh October 20-24.

Robert W. Shoffner, assistant director of the State College Agricultural Extension Service who serves as No. 1 aide to Dr. J. S. Dorton, State Fair manager, says the goal this year is to have "all 100 counties of the State represented with educational exhibits on the 100th anniversary of the State Fair". He predicts the goal will be reached through stimulated effort on the part of the county farm and home agents and other agricultural leaders.

"Last year," said Shoffner, "we had 1,169 individual and group exhibitors from 85 counties. Of the 15 'missing counties', eight had exhibits in the 1951 Fair. This means that only seven of North Carolina's 100 counties have not been represented during the past two years. These are: Dare, McDowell, Pamlico, Polk, Richmond, Transylvania and Washington."

The Extension administrator and fair leader said copies of the 1953 State Fair catalog and premium list have been distributed to all previous exhibitors and to other agricultural leaders. He urged that other prospective exhibitors write immediately to the Manager, State Fair, P. O. Box 1388, Raleigh for their free copy of the publication.

The first State Fair was held in Raleigh October 18-21, 1853 under the sponsorship of the old N. C. Agricultural Society. The

Schools Report 2,178 Enrolled

Total enrollment in the seven Kings Mountain school units jumped 39 pupils, to 2,178, at the end of the first five days of operations in the new term, school officials report. The total represents an increase in school membership of 135 over the 1952-53 fifth day total.

Mrs. J. C. Nickels, Park Grace principal, reported an enrollment of 210 after five days, an increase of eight over the first-day and a gain of 34 students over last year's fifth-day total.

B. N. Barnes, city schools superintendent, reported a gain of 31 over the first day, with the fifth-day total at 1,968. The new fifth-day figure represents a gain of 101 pupils over the 1952-53 total.

The first-to-fifth day increase of 31 city students this year against an increase of 51 during the same period indicated that possibly some 20 students got an earlier start for the 1953-54 term.

Eighteen more students were enrolled in the city's white schools than on opening day, with 12 of the increase at East school. Nine more students were entered at Davidson Elementary and Davidson high jumped four students.

The city schools enrollment after the first five days was:
 High school 372
 Davidson high 65
 Central Elementary 699
 East Elementary 393
 West Elementary 275
 Davidson Elementary .. 164

Total enrollment 1,968

In reporting the enrollment figures to the school board Sept. 8, Mr. Barnes pointed out the overloaded spots, which he said he hopes to adjust by transfers between schools and classes. The state school board may allot another teacher after studying reports of the first two-weeks enrollment, he said.

NEW ADDRESS

Sgt. Charles B. Wright, just discharged from an army hospital, is now stationed with the 815 2nd. AV No. 1 division. His address: Sgt. Charles B. Wright RA 14-345-194 815 2nd. AV No. 1, APO 503, c-o Postmaster, San Francisco, California.

He is the son of Mrs. Rosa Wright of route 3.

site was a 16-acre tract now familiar to travelers on U. S. Highway 64-E through a historical marker on Raleigh's New Bern Avenue, 10 blocks east of the Capitol.

The Fair has been a division of the N. C. Department of Agriculture since 1937 and the present fairgrounds cover 288 acres along U. S. Highway No. 1, five miles west of the State Capitol.

Good Housekeeping magazine has said, "If a coffee pot is not kept sweet and clean, the freshest, most carefully prepared coffee may taste strange, unpleasant or bitter. When coffee boils, stale odors and stains are allowed to accumulate, true coffee flavor is masked or changed. You can prevent this, but not by rinsing a coffee pot with hot water or even washing it well with hot suds. Special treatment is needed to do the job."

On the market you will find good soap and steel wool pads that will help keep your coffee pot sweet and clean.

RENEW OLD FELTS

If last year's felt hat must do for another year, it may be restored to a "good as new" appearance by proper cleaning and blocking.

To clean, first take off the ribbons or other trimming and remove the headband. Brush the hat thoroughly to remove surface dust, then clean in carbon tetrachloride and rinse in a second bowl of the same. To clean the inside band, prepare a cleaning solvent of a teaspoon of shaved paraffin to a pint of carbon tetrachloride. Set the solution in a pan of warm water, and when the paraffin is melted, drop the hat band into it to soak for one-half hour. Rinse in a similar cleaning solvent and rub dry with a clean cloth.

Replace inside band and clean trimming or apply new ones.

CASHMERE — The Mink of Woolens

But let's not be too unhappy if we can't own a 100 per cent cashmere sweater or coat, because there are in the stores soft, smooth, cashmere-feeling sweaters and coats made of materials at almost every price. The manufacturers of materials have done an excellent job in giving us new materials, the smoothest woolen materials that fairly glisten with fur fibers — some with a small cashmere content.

And back again and very fashionable are Duvetyn, velour, and chinchilla.

You who are expert with a needle, pattern selection, and eye for color and know how to press plus wearing the right accessories — gloves, bags, hat and shoes —

you can relax and not worry too much about the high cost of ready made clothes.

Beautiful materials are on the market.

To remove white spots on blonde furniture, simply rub an unsalted pecan meat firmly over the spot. It will take the spot out and leave the right surface unstained, unmarred.

Do You Own a Car . . .

If so, do you have that 24-hour liability protection on it? Suppose your car is involved in an accident. . . . you stand to be charged with all the damage, including hospital bills. No need to take chances when you can get liability insurance at a reasonable cost.

NOW

Even Faster Long Distance

Direct dialing of Long Distance-calls between cities speeds telephone service . . . and helps keep the cost low.

By this method, the Long Distance operator quickly punches a few buttons. Then, intricate and costly automatic equipment goes to work to put the call straight through to the telephone in the distant city, without going through another operator. It's fast!

"Punch-button" Long Distance and other new advances are part of our continuing job of bringing you more and better telephone service. It's a job that takes a financially healthy Telephone Company, with enough earnings to keep service good today—and growing tomorrow.
