

Huston H. Smith Rites Conducted

Huston H. Smith, 68, died Thursday afternoon at his home here after an illness of three years.

The son of the late Mr. and Mrs. Eliza Smith, he was a native of Lincoln County but had resided in Kings Mountain more than 40 years. He was a former employee of Craftsman Mills.

Survivors include his wife, a son, Henry C. Smith; three daughters, Mrs. Paul Cole, Mrs. Drew Jackson, and Mrs. Jack Clark, all of Kings Mountain; two sisters, Mrs. Sid Kirkey, Dallas and Mrs. John Gilbert, Conover.

Funeral services were held Saturday afternoon at Second Baptist church, of which he was a member. The Rev. B. F. Austin and the Rev. W. H. Redmond officiated and interment was in Mountain Rest Cemetery.

Packages, holding an infinite variety of commodities, are more attractive and practical than ever before, because of plastic materials made from petroleum. Plastics like polyethylene and vinyl film have been made into nearly every conceivable packaging form from collapsible toothpaste tubes and vinyl plastic zippers to full-size 55-gallon drums made entirely of polyethylene. Plastics made with petroleum derivatives are seen in stores an' d homes all over America in useful and economical articles.

All Night Sing Here Saturday

An All Night Singing will be held in the high school auditorium Saturday night, November 28, sponsored by the East Side Baptist church.

RECREATION ROUND-UP

Rebels Win 53-0

The Kings Mountain Rebels ran rough-shod over Rev. Eade Anderson's South Gastonia eleven at City Stadium Saturday morning, November 14, by a score of 53 to 0.

The outweighed but more experienced Rebel team scored almost at will against the scrappy Gastonia outfit, Charles Smith, filling in at Q. B. for Rathbone, who has been ill, scoring four times on runs of 11, 25, 12 and 40 yards. Others scoring for the Rebels were Wright (2), Blanton and Campbell. The Rebels line, showing marked improvement each game, held the visitors to a pair of first downs.

Rebels Win 43-0

The Rebels continued winning ways November 17th by swamping Forest City 43 to 0. On the fourth play from scrimmage, a pass from Smith to Blanton was good for 36 yards and a score. After Keith Layton plucked a pass out of the hands of an intended receiver on the K. M. 20 and raced all the way for a score, it was K. M. all the way with Campbell scoring three times and Blanton, Wright and Smith once each. The small gathering was treated to some razzle-dazzle football that had the fans comparing them as a Junior edition of the Washington Redskins with regards to showmanship. The Rebel line held the visitors to three first downs as they posted their 7th win as against 3 defeats.

Cowboys Win

The Cowboys avenged an earlier defeat at the hands of the Midgets of Forest City here November 17, winning by 6-0, same score by which they lost earlier. After a scoreless first half, Don Gladden, fleet little tailback, raced around his own right end and down the side lines for 65 yards and the only score of the game. The Forest City team came back strong and drove to the K. M. 5 yard line with first and goal to go but the Cowboys threw a ten-man line lineup and four plays later the ball was resting on the one foot line. Banks Guyton kicked out and the game ending seconds later. The line play of Blanton, Childers, Mauney and Myers was outstanding with line-backers Gibson and Ramsey plugging up holes at crucial times. The Cowboys will play Rock Hill Y. M. C. A. here next Tuesday afternoon at 4 p. m.

Basketball

The recreation department has entered a team in the Cleveland County Industrial basketball league and will start practice Monday night. If enough interest is shown, it is the department's intentions to enter another team. Those having expressed a desire to participate are Bud Medlin, Bob Sanders, Clavon Kelly, Joe Hendrick, Robert and David Neill, Jack Stone, Joe Costner and John Charles to name a few.

Fleet McCurdy, athletic officer of the American Legion, and Director Layton traveled to Shelby Wednesday, Nov. 18, to look at some school buses. The idea is for the American Legion to purchase a bus, making it possible for the different organizations in town to use it.

Mr. Layton met with the school board on November 16 and requested use of the high school gymnasium at times when it would not interfere with school activities. Mr. Barnes told of the school's plans to have a physical education program at the different grammar schools. Mr. Layton said that he was sure that there was enough folks to fill his program without interfering in anyway with school activities. The recreation commission plans to form a league with games being played on Saturday's at the gym.

"There has been some misconception of the recreation department's aims with regards to the department's programs. Although the department would be pleased if every participant would make a good high school player in some respects, the main objective of recreation is to give everyone a chance to participate and winning games or developing athletes is a secondary matter. Last week, when behind Forest City by only six points and with a chance to win if the eleven largest boys had remained in the game, the Cowboys had 30 players to play in the game," Mr. Layton stated.

Marion Davis has asked Kings Mountain to find some girls or women that are not in school to join a Shelby team. She is coaching. It seems that all the mills in Shelby and several other communities have entered a team and one more team is needed to make the league complete. Mrs. Davis now has around seven players and would like to have several Kings Mountain girls on the team roster. The league opens December 7 and if any ladies would like to play please contact Mr. Layton or Mrs. Davis in Shelby at the state highway building.
