Merchants Asked To Display Flags

Monday is National Flag Day and members of Colonel Frederick Hambricht Chapter, DAR, are asking all Kings Mountain area merchants to display flags outside their business establishments.

"Flag Day is celebrated each year on June 14, Mrs. Arthur Hay flag chairman for the chapter, said in making the announcement, and we as a nation and a community note the observance, which began with the establishment of the "Stars and Stripes" by the Continental Congress on June 14, 1777, she added.

Hints on flag etiquette and rules governing the use of the flag were also listed by the flag chairman:

"The flag should not be hoisted before sunrise nor allowed to remain up after sunset. It should not be displayed on stormy days. "When the flag is displayed at half staff for mourning, it is to be lowered to that position from the top of the staff. It is afterward hoisted to the top before it is finally lowered.

"When the flag is formally raised all present should stand at attention, with hand raised to the forehead ready for the salute.

"When our National flag and State or other flags fly together or are used in decoration together our National flag should be on the right.

"When used on a bier or casket at a funeral the stars should be placed at the head; in no case should the flag be allowed to touch the ground. It is always to be considered immaculate.

"For indoor decorations the flag can only be used as a drape; it cannot be used to cover a bench or table, desk, or box where anything can be placed or set upon the flag."

Negro Family Loses Everything In Fire

A drive by interested friends is underway to secure items of household goods and clothing for the family of Willie Rhodes, Negro city cemetery employee whose home was destroyed by fire last Friday around 3 p. m.

The fire destroyed all clothing and possessions of the family, which includes four children, the parents, and Mr. Rhodes' father. Ages of the children are six, four, two and one-half and one year. Only a small amount of insurance covered the home.

City employees, headed by Sam Suber and Joe McDaniel, have already secured two beds and some clothing for the family.

Persons who have items they wish to donate to the family are urged to contact Mr. Suber.
