

Rhythm Rustlers Show Scheduled Here Saturday

The Rhythm Rustlers, an NBC-TV group, formerly with the WSM Grand Ole Opry of Nashville, along with the Rhythmeers Quartet and party will make a personal appearance in Kings Mountain at the Recreation Center on Childers street, this Saturday, June 12, doors to open at 7 p. m.

Bob & Robin, Sweetheart duo of the WSM Webb Pierce show and NBC will be featured, doing songs for which they're famed.

Also with the group will be Slim Moody, acclaimed composer of "Tulsa, Straight Ahead," and many other less famed instrumentalists. Ben Crowder, whose own show is carried weekly over NBC-TV, being carried locally by WFBC-TV, Greenville and WISE-TV, Asheville, will M. C. the program which is planned to last two or more hours with all popular types of music to be featured and comedy to be furnished by the WSM Snowball Comedians.

Acclaimed world's champion fiddler and former member of the Horace Heidt TV show, Bobby Hoyle, whose home is in Forest City, will also be with the group for the appearance, along with vocalist, Jean Crowder and rhythm guitarist, Junior Searcy.

The Hayride Radio Network, which is composed of 140 radio stations throughout the Southeast, features the Rhythm Rustlers on their own Saturday program.

Known widely for their gospel and sacred music, the Rhythmeers Quartet, who have appeared with many of the better musical groups in the country today, are also known for their popular music including such numbers as "I Get So Lonely."

Local groups who are interested

RHYTHM RUSTLERS — Pictured above are the Rhythm Rustlers, NBC-TV group, formerly with the Grand Ole Opry, who will appear here Saturday night under sponsorship of the Grace MYP of Grace Methodist church. Doors open at 7 o'clock.

Third Chemical Firm To Mine In Mineral Belt

Still another chemical firm is entering the North Carolina spodumene belt to refine the abundant ore.

J. A. Daly reported in the Charlotte News recently that Kawicke Chemical Company, Boyertown, Pa., is completing plans to start construction "as soon as possible" on an expensive plant between Cherryville and Lincolnton.

Kawicke will be joining Foote Mineral Company and the now-building Lithium Corporation of America in the area's lithium-extracting operations.

ed in appearing in this show are invited to call Mack Murray at 684-J in Kings Mountain.

Tickets will be sold at the door, at popular prices, and a section will be reserved for colored patrons.

Man Is Fined For "Borrowing" Ten-Dollar Sum

Amzi McNeely was found guilty of larceny of \$10 Monday afternoon in City Recorder's court and was given a 60-day road sentence by Judge Jack White. Sentence was suspended on condition that McNeely reimburse the prosecuting witness the amount of money taken, and pay costs of court.

According to testimony of Wilma Price, prosecuting witness, McNeely allegedly took \$10 from her hands while she was a guest in McNeely's home.

A minor child present in the home at the time the money was allegedly taken, stated to Judge White the money was lent to McNeely by Miss Price until the following day. On passing sentence, Judge White remarked he believed the child was telling the true story.

Arresting officers were P. A. Hawkins and R. R. Carrigan.

Roy Revels was found not guilty of assault on his brother-in-law, Howard Mitchem.

Upon examination by the defendant's lawyer, E. A. Harrill, Mitchem's wife stated that it was she and not her brother who did the assaulting. Mrs. Mitchem also said that she struck her husband with a shoe in their home, and that her brother was not in the room at the time.

A nol pros was taken in the case of Buren Blanton, City street, charged with assault with a deadly weapon, and a new warrant was ordered drawn by Judge White against the defendant, charging him with shooting a firearm within the city limits.

With a warning from Judge White that it was illegal to shoot firearms within the city limits and not to let this occur again, the defendant was given a 30-day road sentence, suspended on condition that he pay a \$15 fine and costs of court. Judge White asked that the phrase "Mrs. Kuykendall is no way involved in this case" also be included in the judgment.

Mrs. Margaret Kuykendall, of 114 City street, was the prosecuting witness in the original warrant against Blanton.

Bob Shuford, of 135 E. Virginia avenue, Bessemer City, was found guilty of allowing an unlicensed minor to operate his vehicle and received a 30-day road sentence, suspended upon payment of costs of court.

The original warrant read "aiding and abetting a minor in driving a motor vehicle" and was amended by Judge White after Shuford claimed that he was under the impression that the minor was of age and had driver's license.

Upon passing sentence, Judge White remarked that he was giving the defendant the benefit of the doubt, but also said that it was the duty of a car owner to know the license status of a driver before allowing him to operate his vehicle.

The minor, arrested along with Shuford, was charged with operating a motor vehicle without license, was ordered by Judge White placed in the custody of E. A. Houser, juvenile officer. Arresting officers were P. A. Hawkins and Ralph Ware.

On a count of speeding and spodemene ore. As regards beryl, Mr. Eschelman commented "we are aware that it is there but the problem is recovery and it appears necessary to develop a more economical recovery process."

"The U. S. Bureau of Mines lately as shown a keen interest in the beryl ore reserves in a narrow belt extending from Gaffney, S. C., to the Shelby-Lincolnton area. A Bureau of Mines survey, lately announced, developed that nearly one million tons of beryl are available in this belt.

"The Division of Mineral Resources, North Carolina Dept. of Conservation & Development, explained today that "the large spodumene-bearing pegmatites (rocks) of the Kings Mountain district contain reserves of beryl and other strategic materials. No deposits have been discovered in North Carolina which are rich enough in beryl to be worked for this mineral alone" and this is being produced as a by-product.

"The report by Sam D. Broadhurst, assistant state geologist, added that "experimentation on beryl concentration is, therefore, being carried out as a part of the concentration of spodumene."

"Reports from industrial sources indicated that beryl is needed in the production of metal alloys for jet aircraft tail pipes, which must be capable of withstanding tremendous heat."

reckless driving, Linwood Rivers, of 107 N. Candler street, was found guilty and sentenced to four months on the roads. Sentence was suspended on condition that Rivers be of good behavior for four months, pay a fine of \$35, and costs of court. Arresting officer was Laymon Cornwell.

Andrew Smarr entered a plea of not guilty to charges of reckless driving, but was found guilty and received a 60-day road sentence. Judgment suspended on condition that Smarr pay a fine of \$5, and costs of court. Arresting officers were Paul Sanders and Warren Ellison.

On the count of illegal possession of non-tax paid whiskey, J.

D. Bolin, of 18 Walker street, entered a plea of nolo contendere and received a 60-day road sentence, suspended on condition that the defendant be of good behavior for 90 days, pay a fine of \$10, and costs of court. Arresting officer was R. R. Carrigan.

Five defendant's were found guilty of public drunkenness.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.
