### A RESOLUTION

Whereas our Heavenly Father has seen fit to call one of our beloved members, Mrs. Mildred Allison Moss, to her reward. And whereas, for many years Mrs. Moss was a leader in the Woman's club and in all the other activities of the women of Kings Mountain, a faithful voter in elections and an enthusiastic supporter of projects to benefit the town. And, whereas, she made her profession of faith in Christ early in life and was active in the church — a consecrated leader in the woman's work, of and for a number of years, was a leader of a circle in which she will be greatly missed. Mrs. Moss was a sincere Christian, a faithful wife, a devoted mother, and a loyal friend.

Now, therefore, be it resolved by the Thursday Afternoon Book club:

- 1) That we cherish during the coming years the memory of her courageous leadership as a citizen of this community and strive to emulate her example.
- 2) That as we bow before His will we express our thanks to Him for her service in the several departments of the church.
- 3) That in expression of our thanks we pray that we, too, may love things honest, just, pure, lovely, and of good reports.
- 4) That we feel deeply our loss at her passing and, yes, we bow in humble submission to the will of God who does all things well.
- 5) That we send a copy of these resolutions to the family, to the local press, and that the secretary record one in the book of the minutes.

**Time to use aldrin**

Fast. Aldrin gets weevils in just a few hours... within a day the kill is made. For bollworms use 2½ - 5 - 0 (2½% aldrin - 5% DDT).

Powerful. Because it kills insects three ways (eating, breathing, touching) you need just a few ounces of actual aldrin per acre... no matter how heavy the infestation.

Economical. The low cost of aldrin is returned many times over in increased yields of top quality cotton.

**Let INDEPENDENCE Be Our BOAST**

The strength of our Nation is in the independence of its people... the freedom of the individual to make his own decisions in matters pertaining to his God given rights of Life, Liberty and the Pursuit of Happiness. An important blessing of this freedom is the right to a free and independent choice of one's doctor or dentist. Through this freedom, American medicine and dentistry have attained professional standards among the highest in the world with resulting health benefits of untold value to the American People. Therefore — let THIS independence be our boast. Let us safeguard it against the political prescriptions of "socialized medicine" no matter how sugar-coated may be the proffered pill.
