

# Wednesday Floral Fair Scheduled Announced

Schedule of competitions and exhibitions in both flower arranging and horticulture for next Wednesday's 1954 Woman's Club floral fair, "Autumn Harvest", is being distributed this week in the annual fair booklet.

The booklet is handsomely printed with gold cover emblematic of the Woman's Club's fiftieth anniversary year. In addition it includes advertising from supporting business firms and patrons.

Officials of the Woman's Club, headed by Mrs. George Houser, president, are anticipating a representative showing at the "Autumn Harvest" event, which annually attracts visitors from all over the Piedmont Carolinas.

Though dry weather is expected to materially cut the entries in the long-popular horticulture division, Mrs. Houser said the availability of flowers by local exhibitors is greater than might be expected.

Particular attention will be devoted to flower arranging, which this year appears as Division I. The format of the one-day event follows that of former shows, with dinner to be served by the Woman's Club both at noon and in the evening.

"We anticipate another fine show," Mrs. Houser said, "and the Woman's Club cordially invites the citizens of Kings Mountain to exhibit at the event and to visit the show, both for the displays and for a good dinner."

We shall continue to solicit for Aprons and any other item which may be sold and also solicit for Cakes and Pies to be used as dessert for the two meals which will be served at the Club the day of the Fair.

The Junior Club will continue to have a booth for Candies, etc. We appreciate the entries made heretofore in this division, and ask for your continued participation.
