The adult members of the Vocational Agricultural department of Compact high school, route 2, were blessed to have as their guest Monday evening Joe Walsh, district manager of this county.

Mr. Walsh was introduced by M. L. Campbell, teacher of agriculture. He explained clearly and in detail the amendments of 1954 to the Social Security law as it relates to farm families.

He said beginning Jan. 1, 1955 for the first time, all farmers who make as much as \$400 profit in a year will have old-age and survivors insurance protection for only 2 or 3 percent of their earnings. A farmer may receive \$1,200 in a year and receive all his Social Security payments until he becomes 72 years old. After he is 72, he may receive the total payment regardless of his earnings. A lump sum payment of from \$90 to \$255 is made at the time of an insured farmer's death. Retirement age, if desired, is 65. Any farmer who is more than 65 now may become insured by continuing to farm for one and one half years and earn a net profit of \$400 or more per year. The members of the department and Professor Campbell are very grateful to Mr. Walsh for his timely and helpful information on the important subject and feel certain that it will contribute so much to the success of farming in the district.

After the discussion of the Social Security program, Professor Campbell, explained the cotton referendum vote and encouraged every farmer to vote in favor of it. He pointed out that support prices would be from 82 1/2 to 80 percent of parity if the farmers approved the program with a vote of 66 2-3 percent. This he said would enable farmers to receive approximately 35c per pound for lint cotton. On the other hand, if the farmers do not approve the plan, then the parity support price will drop to 50 percent of parity and the farmers will be able to sell cotton for approximately 17c per pound this fall.

The Good Neighbor Community club is very grateful to Mrs. Paul Neisler, Jr., for the nice things she gave to our club chest. Madge Brown, reporter.

James Roschoro returned to Kings Mountain after several trips to Maine, California, and New York.

Ed Link died Saturday morning in the Kings Mountain hospital after a short illness. Mr. Link had lived in Kings Mountain for a number of years. One brother, a resident of Greenville, S. C., several nieces and nephews survive. Funeral services are incomplete at this writing.
