DID YOU KNOW That Your Will is Already Written?
If you have had your attorney draw your will, you know that it is properly arranged. But if you haven't taken this important step, you should consider the following:
The law decides on the distribution of property for anyone who fails to decide for himself, through his will.
Do you want your property handed in the law's impersonal way — without regard for your wishes and the special needs of your family?
AMERICAN TRUST COMPANY has prepared a small folder showing how the law will distribute your estate — whether it is \$2,000 or \$2,000,000 — unless you make a legal will. (If you have a will, have your attorney go over it to be sure that it is in proper form.)
To get your free copy of this folder, "These Are Your Heirs . . .", write your name and address on the attached coupon and mail it to us. Do it TODAY, while you are thinking about it.
