A DROP in a BOTTLE
Measured against the relief or cure it produces, the cost of prescribed medicine is a "drop in a bottle"... a "grain in a capsule." The cost is small indeed when you consider that modern "miracle" medicines get you "back on your feet" faster thereby saving you the expense of a protracted illness. As a matter of fact — nothing else so valuable to you costs so little. And when you have your prescription filled here, the cost is held to the minimum by our policy of basing prices on the cost of the ingredients plus a nominal fee for professional service.

OUT-OF-THIS-WORLD
It's heavenly! That describes the out-of-this-world flavor of our stellar sodas. The secret's in our rich, creamy ice cream and the skillful blending of luscious syrups and sparkling water. For a positively refreshing treat — try our tall, tasty soda. It bubbles over with goodness!
