Presbytery Meeting At Grover Tuesday

Kings Mountain Presbytery will convene Tuesday at Shiloh Presbyterian Church, Grover, it was announced Wednesday by Rev. P. D. Patrick, pastor of First Presbyterian church.

Rev. J. Eade Anderson, pastor of Gastonia's Olney Presbyterian church, is the new moderator of the presbytery and will preside over the meeting. Mr. Anderson served here several years ago as an assistant pastor to Mr. Patrick.

Reports are to be heard from Mr. Patrick, representative of Presbytery's council, Rev. John S. Brown, pastor of Shelby Presbyterian church, who will report from the Christian Education committee of the council, and Rev. George Riddle, pastor of the Cherryville church, a member of the Church Extension committee.

Delegates include Mr. Patrick and C. E. Neisler, Jr., both of First Presbyterian church, and Gordon Hughes, Jr., of Dixon church.

FIGURE SKATER — Evelyn Chandler cuts a neat figure in a scene from George A. Hamid's Broadway Ice Revue, "Ice Varieties of 1955" which will be seen each evening at 8 o'clock in the grandstand at the Cleveland County Fair, opening its 32nd year next Tuesday for a five-day run.

Ice Show To Be One Highlight Of Big Cleveland County Fair

George A. Hamid's Broadway Ice Revue, "Ice Varieties of 1955" is one of the many new features of the Cleveland County Fair, opening Tuesday, September 20th, for a five-day run.

Featuring beautiful girls and talented men skaters in specialty and comedy numbers, the show will appear each evening before the grandstand beginning at 8 o'clock.

The fabulous and amazing Dancing Waters, magic waters that actually dance under multi-colored lights to thrilling music, is another new feature of the 1955 fair, now in its 32nd year with Dr. J. S. Dorton its director for the same number of years.

Dancing Waters is run by nineteen motors, activated from an electrically operated console played like an organ, forcing thousands of gallons of circulating water through more than 4,000 jets to a controlled height of 20 to 50 feet. Portable sections of pipe and cable, fitted together in a portable rubber trough-tank, all ingeniously put together, completes the make-up of Dancing Waters. As the sparkling waters rise and fall under the colorful lights to the accompaniment of music, the waters form amazing combinations and effects which are breathtaking in their beauty.

Lucky Dogs, a racing greyhounds presentation, one of the fastest and most exciting sports, will make its first appearance in this area at the fair next Thursday night in a late show beginning at 10 o'clock.

Another newcomer to the local extravaganza is "Irish Horan's Lucky Hell Drivers" who will be in front of the grandstand in a late show Tuesday night at 10 o'clock. Jack Kochman's Hell Drivers with a legion of the world's best stunt and precision drivers, will be back Wednesday night in another late show to get underway at 10 p. m.

Brought back is the World's Championship Rodeo, produced and directed by "Burr" Andrews of Clarksville, Texas, a show that last year drew record crowds to the Cleveland County fairgrounds.

Exhibit halls will be bulging with new features, according to Dr. Dorton. One of the main exhibits will be an egg production in this county, fast becoming one of this area's money-making productions with more than 250

flocks throughout the county. Mr. and Mrs. David Beam, of Beamsdale Farm, one of the outstanding breeders of high producing white Leghorns, will have on exhibition the hatching of young chicks.

Other new exhibits include a tropical fish and aquarium exhibit; ceramics; Fairland gardens; challenge exhibits of the Agricultural Workers Council; booths depicting every phase of Home Demonstration and club work; a parakeet exhibit; wild life show; molasses-making; tram car; and Douglas Aircraft Corporation's guided missile.

Central meeting place on the grounds will be by an old water wheel, located just inside the main gates beside the entrance to the grandstand. The water wheel has been rigged up and at work, turned with water, all this week and will be spotlighted

Little Leaguers Will Meet Shelby Oct. 1 In Opener

The Kings Mountain Little League football team will take the field October 1 in Shelby for its first game of the year.

Doug Sully of the city recreation department announces that the team will play six or eight games this year with out-of-town teams. These games will be on a home to home basis.

The complete schedule for the team has not been set, but the second game will be with Shelby on the home field on October 8. Both of the games with Shelby will start at 7 p. m.

Consisting of boys in the sixth, seventh and eighth grades, the team has some 50-55 hopeful members working out at the high school.

Sully said that he was trying to get games with Morganton, Gastonia, and other teams within a 30 mile radius of Kings Mountain. The complete schedule will be announced as soon as it is complete.

He also reported that the recreation department is seeking sponsors to help defray the costs of operating the team this year. Anyone interested in helping is asked to contact him.

Robert Davis is coaching the local Little League team.
