League Bowling Now In Progress At New Center

Two leagues are now competing at the Mountain Lane Bowling Center, which opened last week.

In the Kings Mountain Duck Pin League, King Pins and Keglers swept three game sets from the Alley Kats and Independents. Pins beat the Kats by a score of 1416-1356, a difference of 60 pins. Boyd Howell again led the victors with a high score of 321. Ralph Arrowood with a total of 306 was high for the losers.

Falls led the Keglers 1,464-1,404 victory with a high of 317. For the Independents, Albert Brackett's 323 was tops.

In the other league activity, the Hillbillies and Community Grocery took three games each from Three-Centers and the Jaycees. This league has not been given a name as yet, but a meeting will be held for this purpose soon.

The Hillbillies, led by Wells' high score of 289, beat the Three-Centers 1,281-1,121.

Owens' high of 322 led the Community Grocery team to a 1,420-1,386 victory over the Jaycees.

The Three-Center team is composed of post office employees, who used the sale of three-cent stamps to derive their name.

Several other leagues are being formed and league action will probably get under way in full force next week, according to "Cat" Houser, owner of the new Bowling Center.
